

Brebeuf Celebrates Closing of Original Building

On January 26, 2002 more than 800 alumni, present and former staff, parents, students and friends of Brebeuf returned to 211 Steeles Avenue for a final chance to visit the original Brebeuf campus. Father Rob Brennan, S.J. concelebrated Mass with alumni Father Ian Riswick '77, Father Robert O'Brien '80 and deacon Owen Keenan '91.

Following Mass, Brebeuf Principal Michael Pautler '76 and Brebeuf's founding Vice-Principal Neil Gazeley reflected briefly on the first forty years in Brebeuf's history. Frank MacGrath '82 spoke briefly on behalf of the Alumni Association, assisted ably by Paul McKernan '69 and other "old boys" who lead a rousing rendition of "Men of Brebeuf".

This reunion also paid tribute to one of Brebeuf's most famous teams, the 1977 Junior Hockey TDCAA Champions, celebrating the 25th anniversary of their historic victory. Team coach Jim "E.J." Barry and more than 15 of the players marked this occasion with a special tribute to Jim Morris '77, who was given the Man for Others Award, for his tireless dedication to Brebeuf as a student and as an alumnus. Sadly, Jim passed away at age 43 in March 2002 after a lengthy battle with cancer.

Alumni then toured the school and enjoyed the open house and "last pub" atmosphere. Paul Adams '71 lead a spirited auction of Brebeuf memorabilia, ranging from band instruments to basketball jerseys to antique classroom clocks. Bryon DiSera '81 and Tim Maxwell '81 jointly purchased the prized "Jug Bench" from the main office, while arguing over who had actually spent more time sitting on it while at Brebeuf".

Mike Rowe '86, Padre (Rob Brennan S.J.), Pete Gillespie '85, Greg Rogers '72 and Nick Rowe '85 relive the glory days of rugby tours and other Brebeuf traditions at the school closing ceremonies

Graduates from Brebeuf's earliest days right up to the class of 2001 were all in attendance. Many alumni travelled great distances just to be present for this historic occasion including John Corso '88 (Washington), Steve Munro '81 (Chicago), Kevin Lancey '72 (Ottawa) Mike Cartan '82 (Timmins) and Rob Baldauf '82 (Calgary), Mike Strimas '68 (Ottawa).

Thanks to the organizing committee of: Mike Pautler '76, Rosemary Lavery, Paul Adams '71, John MacDonald '82, Drew Munro '82, Peter Gillespie '85 and Frank MacGrath '82.

Moving Day

By Michael Daoust '67

Two hectic weeks of packing, exam supervision, closing festivities on the 26th, time in January leading up to that day just seemed to fly by. But then, for a few brief moments on Wednesday, January 30th, the day before our official move to the Bathurst Heights location, I felt that

time stood completely still. Although I'd finished packing everything in my classroom a few days before, I was drawn back to Room 309 one more time. As I entered the room, I was struck by an unusual sense of quiet and eerie timelessness. Everything was gone save for two protractors on the floor, the only evidence that this had been a math classroom.

Although the desks, chairs and filing cabinets were no longer there, the space was not empty to me. Rather, it was filled with special memories that span almost forty years. From my days as a Grade 10 student learning about Euclidean geometry to last week when my OAC Calculus class was studying techniques of integration, this has been a wonderful place for learning, a place for growing, a place for friendships and a place for God. Although this room will soon cease to be, the memories will last forever. Goodbye Brebeuf and thank you.

Principal's Message

The past year has certainly provided an eventful chapter in the ongoing story of Brebeuf College.

In late January, a large number of alumni gathered one last time to celebrate a final liturgy and to share memories of their experiences at Brebeuf throughout the years. By February we had successfully re-located the school to our temporary home at 640 Lawrence Ave W. Despite initial misgivings and reluctance, staff and students worked together to make the transition successful.

In subsequent months, the most commonly heard observation from students and parents was expressing delight with the fact that so little had changed; Brebeuf was still the school community they had known and come to value.

By April 2002, the old brown brick building was down, and by May the contractor was mobilizing on site to begin the re-construction process. Today the foundation has been completed, the steel structure is largely in place, and the stone-masons have arrived on site to begin the next phase of construction. We are still close to the original schedule, and expect that we will return to our Steeles Ave campus in the Fall of 2003, in time to mark the fortieth anniversary of the school.

Our alumni continue to play an active role in the life of the school. Alumni currently assist as community coaches, support programs such as our annual career day, make regular appearances as guest speakers, provide co-op and job shadowing opportunities and offer advice as we continue to re-shape our programs to ensure that the Brebeuf experience remains relevant, challenging and fulfilling for our students today. Most recently, our alumni have committed to the creation of a charitable foundation that will seek to offer financial assistance to the school a tangible offer of support that will genuinely make a difference for our students.

I know that the alumni association have a number of events in the planning stages that will afford opportunities for you to re-connect with Brebeuf College. I look forward to seeing you there.

M. Pautler '76

Former Varsity Basketball players Jim McGovern '81, Coach Jim Hill, Valter Viola '82, Eric Guy '82 and Joe Caruso '80 reunite at the closing ceremonies while Martin Devries '82 looks on in the background.

Planning for Brebeuf

On November 14th a group of Brebeuf alumni gathered at Morrow Park to participate in a unique 'planning' exercise for the new "Brebeuf College".

Principal Mike Pautler '76 and Alumni Chairman Frank MacGrath '82 had invited a cross section of graduates from all years to provide their input on what specific values, philosophies and challenges Brebeuf should provide as the school prepares for its 40th year of operation and a brand new building.

Greg Rogers '72 facilitated the discussion amongst twenty five alumni; the first two central questions focused on : "What were your best memories of Brebeuf?", "On a personal level how/when/where were you most challenged at Brebeuf resulting in significant growth and development?"

The group then split up into small working groups to focus on two key areas : the first issue dealt with the taking "the best from the past". The questions posed were : "When Brebeuf was at its very best what was at the core (the essence) of a Brebeuf education that you would want your own son to experience" and What were the indicators that this was present when you were at Brebeuf?" The second question focused on "the best for the future" in the form of identifying "what priorities need to be embraced in order for Brebeuf to best prepare our students for their life journey as Catholic graduates today and in tomorrow's world".

The collective input of the alumni group is currently being summarized for further discussion with the staff and administration. Highlights of the group's conclusions included :

- alumni generally have a very high regard for the education they received and the all round experiences they enjoyed at Brebeuf
- alumni felt positively challenged by the Brebeuf school experience no matter when they attended
- there was a strong desire to retain the emphasis on extra curricular activities, service to others and preparation for higher education
- Brebeuf needs to continue to provide the resources to ensure that the current students are all prepared for life after graduation (e.g. up to date technology, computer access)
- as the alumni grows as a part of the Brebeuf community we can offer back more tangible forms of support to the current students including mentoring and career workshops as well create a more tangible presence among the graduating class

We welcome further input from any interested alumni. Please forward any comments to brebeufalumni@hotmail.com.

Jim Morris '77 A Man For Others

The following notice was circulated to the Brebeuf community on March 5, 2002:

"Brebeuf College lost one of its greatest supporters earlier today with the death of Jim Morris '77 at age 43 after a lengthy and courageous battle with cancer.

At the recent Old School Pub Night and Closing celebrations Jim was honoured for his tireless dedication to Brebeuf over the past 30 years. From his key role as manager/trainer of the 1977 Junior TDCAA Champs to his many years on the Alumni Association Executive, Jim always put Brebeuf first. Over the years Jim gave countless hours of his time and talent to helping his alma mater, whether it was by championing the creation of the Brebeuf Hall of Fame in 1988 or the many times Jim returned to Brebeuf to speak at Career Day, to attend an event or to help promote a story the school wanted covered in the media. When Brebeuf or one of its alumni needed his help, Jim was truly a man for others.

After leaving Brebeuf in 1977 Jim attended Fanshawe College in London, Ontario and then embarked on a lengthy career in radio, primarily with CKO News and more recently with 680 News in Toronto. While the demands of reporting on the Toronto police and fire beats was very stressful, Jim was always a complete professional and was recognized with numerous awards throughout his distinguished career. In June, 2003 Brebeuf College will present the inaugural Jim Morris Award to the graduating student excelling in journalism and mass media studies at Brebeuf.

Jim is survived by his wife Mary-Louise (Darbyshire), daughter Andrea and son Patrick, along with his father Richard, step-mother Patsy Day Morris and brothers Patrick '79 and David. Jim was predeceased by his mother Pauline.

Friends can make a donation in Jim's memory to the Andrea & Patrick Morris Education Fund c/o Brian Walker, Assante Capital at 1867 Yonge Street, Suite 801, Toronto, Ontario M4S 1Y5.

Thank you Jim for all you did and all you gave. You will be greatly missed."

2002 Ice Hockey Update

By Bryon Di Sera '81

The 2002 hockey tournament saw ten teams take to the ice, including for the first time, an OAC team.

The division "A" title went to 1983 who were able to remain undefeated in this tournament. This team was especially proud that they were able to beat the OAC team, twice. This is a particularly remarkable feat considering the fact that the '83 team were graduating the year that the members of the OAC team were born! The OAC's put up a great fight in the championship game but were defeated 2-0 with an empty net goal scored in the final seconds.

In division "B" the combined team of 1981/82 proved to be too strong for the competition. The championship game between 1981/82 and 1979 turned into a battle of goaltenders with the game ending in a 3-3 tie. Team 81/82 was able to win the shootout 3-1 to take the "B" division title.

It was great to have an OAC team out this year, hopefully the start of a new tradition. A special thanks to Brendan Kennedy for videotaping the tournament. We hope to be able to offer a video of the 2003 tournament for sale.

The 2003 tournament will once again be held at York University Ice Gardens on Friday May 2nd and Saturday May 3rd. In order for this tournament to remain financially viable for the Alumni Association, we are in need of four to six more teams this year.

If you would like to enter a team please contact Bryon DiSera at disera@sympatico.ca no later than April 1st.
