

## Principal's Message

Dear Alumni,

As I have done so often in the past, I would like to offer, on behalf of the entire Brebeuf community, my sincere thanks to all alumni for your unwavering support of your school. Your generosity has enhanced the educational experiences of our students in so many ways, far too numerous to mention here.

Of course, one might ask, "With a new state-of-the-art building and an illustrious Catholic tradition of academic, moral, and athletic excellence, what more could the Brebeuf community need?" In order for Brebeuf to remain on the cutting edge, however, it must provide an education for the twenty-first century. Key to that goal is accessibility to technology: internet access for academic research and curriculum development, digital projectors and SMART boards for lesson delivery, and computer hardware and software to support the learning of students with special needs.

In discussions with the Alumni Association, staff, parents and students we have determined that it would be a worthy goal to embark on a campaign in 2008 to raise funds for the procurement of these technological resources and supporting infrastructure for all our classrooms. The exact monetary goal of our campaign will be determined in weeks to come, but we believe it will be within our grasp.

Certainly, technology is not an end in itself, but educating students in a new building, no matter how avant-gard its design, that lacks these technological resources, is like putting a precious old wine into a stiff new wine skin.

We are extra-ordinarily blessed to have an Alumni Association that is intricately woven into the fabric of the school community. We know we can count on your support for this latest initiative through your generous donations to the Brebeuf Futures Foundation. Together we will continue to ensure that Brebeuf College School provides the best that Catholic education can offer. May you have a happy and holy Christmas and a prosperous New Year.

With gratitude,

Nick D'Avella,

## Alumni Association Update

The Alumni Association is focusing on three main goals in 2008 : first, to continue to support Brebeuf in its mission of academic excellence. As noted in the Principal's Message, Brebeuf College has determined that the main fund-raising priority in 2008 will be to enhance all aspects of the school's technological equipment, particularly in areas not covered by the public monies Brebeuf receives from the school board and the provincial government. Any alumnus who is interested in making a contribution to the new "Brebeuf Technolgy Fund" should complete and return the enclosed pledge card. Brebeuf would also welcome donations of computers, LCD projectors and other high tech equipment that would be suitable for classroom use.

Our second objective is to continue to provide opportunities for alumni to reconnect with Brebeuf and with their classmates. Please review the article on page 4 regarding the "Alumni Pub Night" held in April, 2007 along with details about preliminary plans for various class reunions in 2008. Our third goal for 2008 builds on the same theme of reconnecting alumni with the Association by focusing on several alumni special events such as the Hockey Tournament, the Floor Hockey tournament and a larger Alumni Golf tournament. Details on each of these activities are listed elsewhere in the newsletter. We are also considering plans for an annual alumni dinner in the fall of 2008. Please contact either Michael Da Costa '92 michael.dacosta@rogers.com or Frank MacGrath '82 fmacgrath@gtigolf.com if you are interested in becoming further involved with any of these events.

On behalf of all alumni, I'd like to thank the members of the Alumni Association executive for contribution of time and effort in running the Association. In particular, I wish to acknowledge the tireless efforts of Michael Da Costa '92, Alumni Vice-President and Brebeuf staff member, for keeping all alumni informed about Brebeuf through the alumni website and the email directory.

Merry Christmas & Best Wishes for 2008

Frank MacGrath '82

Chairman Brebeuf Alumni Association

## Brebeuf News

### Jesuit at Brebeuf

Brebeuf is very lucky to have the weekly presence of Jesuit Scholastic Chris Krall S.J. Chris is part of the Wisconsin Province of the Jesuits and is studying at Regis College, Toronto. Chris visits religion classes to present topics on Jesuit works, history, spirituality and the Spiritual Exercises. He has also set up a Catholic Faith Community group for students and staff.

### Former Staff Celebrate Milestones

Brebeuf's founding vice-principal, Neil Gazeley, celebrated his 80th birthday on July 1st. Brother Henry Spencer FPM celebrated his 75th birthday in October. Although officially retired since 1998, Brother Spencer continues to volunteer at Brebeuf daily.

### Brebeuf Communion Breakfast

More than 150 Brebeuf staff, students, and their families gathered at the school on October 20th for the annual Communion Breakfast. Mass was celebrated by Father Ed Murphy '80, uncle to TJ Keslick '03 and current Brebeuf student Timothy Keslick '10. Following Mass, all feasted on a breakfast for champions provided by our school's catering team.

### Staff Changes at Brebeuf

After teaching history and social sciences at Brebeuf since being hired in 1982, Mike Loconte has left Brebeuf for a co-operative education position with the Toronto District School Board. We wish Mike luck in his new position.

Larry Vindischman arrived at Brebeuf in 1987 and taught geography for many years before starting Brebeuf's Co-operative Education programme. Larry was indefatigable in promoting this opportunity for students to gain work

experience while still in high school and network with experts of interest to the students. Larry retired in June, 2007 and has moved back to his home town of Windsor. Thank you Larry for all of your many years of service and commitment to Brebeuf students.

### Brebeuf Awards

Brebeuf's awards recognize students for their hard work and involvement at Brebeuf, while also honouring the Jesuits, Presentation Brothers, and Brebeufians who have helped to make our school the fine institution it is today. In addition to the awards named after Brebeuf's previous principals (and listed in the last alumni B), the school awards also include :

- Ned Harrington Award - recognizing overall academic excellence, involvement, and leadership in Grade 9
- Dr. Bob Lato '68 Award - awarded to the most improved Grade 10 student
- Brother Lawrence Maher FPM Award - recognizing involvement in the Catholic life of the school
- E.J. Barry Renaissance Award - for dedication to academics, sports, and the arts
- O'Neil P. Gazeley Scholarship - for academics and involvement
- Joe Will Award
- Presentation Brothers Award - to recognize perseverance
- Joe Younder Debating Award
- Blessed Edmund Rice Society - for students on the Honour Roll for all four years of high school

## Alumni In The News

**Mark Purdy '82** was recently elected to the University of Toronto Sports Hall of Fame. A 1987 graduate of U of T, Mark played varsity soccer for the Blues from 1982-1987. Mark served as team captain for 3 years, was a 2 time CIAU All Canadian, a multiple OUAA all-star and amassed numerous other awards while leading the Blues to the top levels of Canadian university soccer. After graduating from U of T Mark played professional soccer in both England and Canada before embarking on a business career with IBM. Mark is currently a partner and chief investment officer at Arrow Hedge Partners, whose CEO is Jim McGovern '81.

**Paul McKernan '69**, pictured at right, is singing with the Toronto Mendelssohn Choir for the 2007-08 season, performing at Roy Thomson Hall, The Elora Festival and other venues in the GTA. In Paul's RTH debut with the choir, he performed "Carmina Burana" sung entirely in Latin, (thanks and greetings to Fr. Beaudois and the original 9C class) verses based on love, drinking and recruiting songs from the 12th & 13th century. Latin class was never like that!

Highlights this season such as Beethoven's 9th, works by Ravel, Bach, Haydn and Rachmaninoff, plus the seasonal favourite, Handel's "Messiah" are scheduled to be performed in more than twenty concerts.

As a volunteer in community service for many years, Paul is currently a Group Fitness Leader with the North York YMCA and served as President of the Toronto Junior Board of Trade (86/87).

**Wojciech Gryc '04** was recently awarded the Rhodes Scholarship to study at Oxford University in England. A graduate of the class of 2004, Wojciech graduated from U of T in June, 2007 and is currently working in the math department at IBM in New York.

In a note to Principal Nick D'Avella, Wojciech notes that " A lot of the reasons why I received this scholarship stem from everything I learned at Brebeuf, as well as its supportive teachers. A lot of the things I learned about journalism, human rights, programming, and philosophy were taught to me formally or informally by the staff and students... Similarly, my work with Five Minutes to Midnight still continues, and was started back in grade 11. I like to think that Brebeuf set me on the path I continue to travel today, and am grateful I went there for four years of my life".

## Alumni Pub Night

More than 300 alumni, current & former staff gathered at Brebeuf on April 21st for the Alumni Pub Night hosted by the Brebeuf Alumni Association. The pub night celebrated the milestone reunions of the classes of 1967, 1972, 1977, 1981 (one year late), 1982, 1987, 1992, 1997 and 2002. Even the Class of 2001 gathered to celebrate their 25th anniversary – one year late! The evening began with a special Mass concelebrated by Father Rob “Padre” Brennan, S.J., followed by a reception in the atrium. The grads were very pleased to see former staff members such as Fr. Don Beaudois, S.J., Jim Barry, Mark Burke, Brother Spencer, Hollie Doyle, John Piovesan and Roman Turlo in attendance along with alumni throughout many different graduating years. Two alumni were honoured for special contributions to Brebeuf : Michael Daoust '67 was recognized for his lengthy association with Brebeuf – no one has spent more years at 211 Steeles Avenue than Mike, who is still an active member of the teaching staff 40 years after graduation. Greg Rogers '72 was recognized for his initiative in launching the Brebeuf Alumni Association 25 years ago and for organizing the first alumni reunion that year.

The Alumni Association is hoping to make this “pub night” an annual tradition each April with certain graduating classes to be recognized each year as they celebrate milestone anniversaries. The following honoured years are to be recognized in 2008 : 1968, 1973, 1978, 1983, 1988, 1993, 1998, 2003. **However, to make this event a success, we need strong participation from alumni in these honoured years. Any alumni in these honoured years who are interested in helping plan the 2008 event, please contact Michael Da Costa '92 at [michael.dacosta@rogers.com](mailto:michael.dacosta@rogers.com) or Frank MacGrath '82 at [fmacgrath@gtigolf.com](mailto:fmacgrath@gtigolf.com)**

## Alumni Golf Tournament

More than 40 alumni gathered at Pheasant Run in July for the Alumni Golf Tournament. The foursome comprised of recent grads **James Murdoch '05**, **Eric Tyndale '05**, **Andrew Healey '05** & **Kieran Kennedy '05** took first place team honours, just edging out the "old boys" comprised of **Terry Sweeney '76**, **Mike Wren '75**, **Paul Oulahan '75** and **Oscar Signoretti '76**. Most honest team honours again went to the foursome of **Jon Page '93**, **Mike Koor '93**, **Jason Cuddy '93** and **Dave Keaveney '93**, confirming their status as the best "once a year golfers" within the ranks of our alumni.

In the individual competition **Jim Coletto '74** captured first place with a stellar round of 81 while **Brett Tanner '81** took the low net honours. Plans are underway for a special 25th Anniversary edition of the Alumni Golf Tournament in 2008. Please contact Frank MacGrath '82 at 905-726-4488 or [fmacgrath@gtigolf.com](mailto:fmacgrath@gtigolf.com) for further details.

## Robert Shannon '68

I met Bob in grade 9 on the first day of Brebeuf's existence in 1963. It didn't take very long for Bob, Rick Reddick and me to become best friends. We walked to class together, played basketball together and dated the same girls. We were inseparable.

After high school Bob attended Waterloo University majoring in Geography. After 4 years he decided it was time for some adventure and went to England. There he worked as a roady for a rock group named Kokomo. Rick once joined him back stage while touring with the Doobie Brothers.

After 5 years Bob married Beckie and moved to Macon, Georgia and worked with a reclamation company. Over the next ten years Bob became interested in computers-mainframes (Bob always liked the big machines including his motorcycles).

Bob and Beckie separated after ten years and Bob moved to Tampa, Florida. He began work for the Tampa General Hospital where he worked until his death.

My last recollection of Bob was 1 1/2 years ago in Mexico. Rick, Bob, Lis (my wife) and our friends were eating and drinking and singing Beatles Songs to the music of the Mariachi band. It was a déjà vu of the three of us walking up Bayview Ave. past St. Joseph's Morrow Park at night after a long school day followed by basketball practice.

The snow was falling lightly as we sang our lungs out to Beatles songs. And we would laugh at Rick (the brightest of us) who would be dropping crumpled paper from his brown blazer in the snow-his history notes!

We will miss you Hombre Grande.

## 2008 Alumni Hockey

After a one year absence the alumni hockey tournament will return in May, 2008 under the guidance of **Dennis Tobin '79** and **Kieran Kennedy '05** with assistance from **Shawn Smith '84** and **Bryon Di Sera '81**.

The Alumni Association gratefully acknowledges the efforts of Bryon Di Sera '81 who has served as the Alumni Hockey Commissioner for many years.

If you are interested in participating as a year representative/team captain, please contact Dennis Tobin at [djtobin2@rogers.com](mailto:djtobin2@rogers.com)

More details will be posted on the alumni website throughout 2008.

## Why Attend Brebeuf?

**Michael Da Costa '92**, Vice-President of the Alumni Association and Gifted Co-ordinator, is often asked by parents what makes Brebeuf a great school and why should they continue to enroll their sons. As a proud alumnus and current teacher, he admits to having a strong bias. Mike loved Brebeuf as a student and loves it as a teacher. In a recent article Mike outlines why he believes Brebeuf is a unique school and a worthy choice for boys in Toronto. You can read this article by visiting [www.brebeuf-alumni.org](http://www.brebeuf-alumni.org)
