

## Brebeuf Football Champions!

**Editor's Note:** The return of football to Brebeuf has been a resounding success. Please see the recap on the 2019 season submitted by head coach John Engel.

Dear Brebeuf Football supporters,

We had a very exciting season in just our 2nd year of the program. We went from not scoring a TD in our first year in Senior Football in 2018 to coming within a last minute play of finishing first in our division in 2019. Last year our JR's only won one game but they went undefeated in 2019 en route to a championship season. Needless to say, the progress has been astounding, and a lot of fun as well!!.

Our season started last June. I took a team consisting of Grade 9/10/11's up to Huron Heights SS in Newmarket for an integrated practice and scrimmage. Huron Heights is a premier football program in Ontario and it was certainly an eye opener for our players. On August 26, one week prior to the first day of school, we had our first training camp. It consisted of film sessions in the morning and practices in the afternoon. We were able to get ahead of the curve and install plays early. Watching practice film during the season simply is NOT possible and these early sessions were invaluable especially for our incoming freshmen.

We filmed practices and games using a 30ft telescopic camera funded in partnership with the ICT SHSM program. We had the film coordinator come in from the Argonauts and train 25 of our ICT students on how to use it and upload the game film to our HUDL software for evaluation. Kids now have better film to send to recruiters and our program has better film for teaching and increasing our players' football IQ.

Before opening our league schedule in October we were able to scrimmage against some other great programs. These scrimmages are value added experiences for our athletes and give us an opportunity to see programs we normally don't play. One of these experiences was a jamboree with our fellow TCDSB programs, Bishop Romero, Bishop Allen and Michael Power. It was a great day to be a Catholic football player and we closed the entire thing with a four team prayer and picture at mid field!

The 2019 season was very exciting. Our SR's had a 21 point comeback win at home vs. Bishop Allen who were the reigning champs from 2018. We lost a nail biter vs. Silverthorn who had to drive 90 yards on their final possession to beat us on the last play of the game. The JR's rolled through their schedule, and finished with a championship victory in the snow at U of T's Varsity stadium. Both teams were more than capable of winning championships, it was a shame the SR's

## Alumni Association Update

2019 has been yet another very eventful year at Brebeuf and for the Alumni Association. As the article on pages 1-2 outlines, the return of football to Brebeuf has been very successful, thanks largely to the leadership of coach John Engel and his fellow coaches, the commitment of the players and the strong financial support of many alumni.

It is very gratifying to see the continued loyalty and generous support of so many alumni, not only to the athletic program, but also through the growing number of scholarships awarded each year. **For those alumni that wish to make a financial contribution to Brebeuf please see the details on the last page of the newsletter. Online donations are also now available.**

2019 also saw a terrific reunion for the Class of 1978 (see pages 7 & 8) thanks to the leadership of Andrew Janik '78. 2020 marks the 50th Anniversary of the Class of 1970 (see the note on page 14 for further details) as well as milestone anniversaries of grad years ending in 0 or 5. We really enjoy hearing from alumni who send in updates for the "Where Are They Now" section and photos for our "Where Were They Seen" pages. Please keep those notes and photos coming as one of our main objectives as an alumni association is not only to keep alumni connected to Brebeuf but also to each other.

A note of thanks to two special groups of alumni: on page 15 there is a list of our newsletter advertisers. Nearly all are alumni and many have advertised for well over ten years. We thank them for their continued support and we encourage all alumni to consider using these various businesses should their products or services be of help to you.

Our hard-working Alumni Executive members each volunteer a lot of time and effort planning events like the Alumni Pub Night and the OSJB Induction ceremony. Thanks to the following alumni leaders for their ongoing commitment to Brebeuf:

- **Michael Da Costa '92**
- **Mike Flint '89**
- **Rosemary Lavery (retired staff)**
- **Jonathan Page '93**
- **Steve White '81**
- **Bryon Di Sera '81**
- **Peter Gillespie '85**
- **Paul Lavin '82**
- **Andrew Munro '82**
- **Marc Vittorio '01**

We would welcome more recent graduates who might want to join the Alumni Executive.

Thanks to all of our alumni for their continued support. Merry Christmas and best wishes for 2020.

**Frank MacGrath '82**

Chairman, Brebeuf Alumni Association

were upset in their semi-final at home in overtime or they could have gone all the way too.

Next year's prep has already begun. We have a strength and conditioning coach coming in 3 times a week to work with the kids. This program will be an invaluable asset to our efforts next fall. University recruitment has started for a handful of our players as we are working on finishing highlight tapes and sending transcripts. As more and more of these athletes start getting opportunities at the next level it will help alter the mindset of the players and our school community about what football can do to help our students in their lives and academic careers.

We look forward to next season. There are a ton of ideas floating around like homecoming and "Friday night lights" games. We are currently in talks with Chaminade and the other TCDSB schools about steps we can take to make our league better. Our JR's will be moving to tier 1 and it is also a consideration at SR. No matter what changes take place, you won't want to miss what's happening with Brebeuf Football in 2020. Thank you for all of your generosity, support and prayers. I constantly remind our guys what the support around them is doing for them and they know what has gone into helping make them successful.

Thanks again from our coaches, our players and our entire school community. Merry Christmas and God Bless!!

## Principal's Message by Derek Chen

We are so proud of our two current teachers – Mr. Sergio De Miglio and Mr. Michael Da Costa '92 who were the latest inductees to the Order of St. Jean de Brebeuf and were honoured at the event held in mid-October. As you well know, they, along with Brebeuf alumnus Claudio Gorrizan '79, join a very esteemed group of inductees. Congratulations to all!

The Toronto Catholic District School Board is in its 2nd year of its three-year pastoral plan: "Rooted in Christ: We Belong, We Believe, We Become". This year, we focus on the theme "We Believe", providing a time for all of us to reflect on what we truly believe as Catholics.

The school year started with our annual Gr.9 orientation at Camp Muskoka Woods, which was, once again, a great success. Almost all of our gr.9 students participated, along with student leaders in gr.10-12.

In October, homeroom classes across all grades prayed the rosary, while our grade retreats continued to enrich students' faith journeys. Our Gr.9 Parent Orientation Night and OSSLT Information Night took place, with parents coming to meet Gr.9 teachers, and others learning more about the literacy test. Our Academic Awards ceremony celebrated the successes of many of our students, and featured guest speaker, Brebeuf alumnus, Michael Rychlewski ('12). The school hosted a Gr.8 Open House that attracted an even larger crowd than last year. And speaking of larger crowds, Student Council hosted its Hallowe'en dance "Shadows", the biggest dance in years! Students from St. Joseph Morrow Park, Loretto Abbey, Cardinal Carter, Madonna, and Loretto College joined our boys at the dance. Student Council has been very active this year, with a fun-filled Spirit Week at the beginning of the year, and numerous activities including a pumpkin carving contest on Hallowe'en.

November also saw our Gr.9 students participating in Take Our Kids to Work Day, and on the same day, Brebeuf invited over 350 Gr.7 and 8 students from a number of elementary schools for Take Our Kids to Brebeuf Day, the largest number of students we have had for this day. Brebeuf held its 2nd annual Post-Secondary Fair, with over 30 post-secondary institutions participating. As well, the school ran its annual charity campaigns including Can-Aid (including Kiss-a-Fish) and the Used Clothing Drive. Our next campaign is Beuf Boxes, which provide Christmas boxes for families in need. At the end of the month, Brebeuf hosted Mental Health Awareness Day, with a very successful Wellness Fair held in the atrium, and a speaker with Project TEAR (Teens Ending Abusive Relationships) addressing our Gr.11 students.

This month, we look forward to Brebeuf's Christmas Arts Fest, the Salesian Retreat, and our Advent School Mass. At the end of the first week of December, Brebeuf will be co-hosting the second annual Lessons and Carols for Advent with St. Joseph Morrow Park. The event will be held at Blessed Trinity Parish. The last week of school in December will be our Christmas Spirit Week, hosted by Brebeuf's Student Council.

Our athletic teams have been playing fiercely this year. Some highlights include having one Brebeuf tennis player playing at OFSAA, our Jr. Football team winning the championship (after only two years of existence!), and the Jr. Soccer team and the Sr. Volleyball team making it to the finals, and the Sr. Football team playing in the semi-finals.

Finally, there have been a number of staffing changes at Brebeuf. After many years of service at Brebeuf and the TCDSB, we saw the following teachers retire: Ms. Anne Johnston, Ms. Dina Orlando, Ms. Catherine Pieroni, Ms. Susan Zuccaro, and alumnus Mr. Michael Rogers '81. They will be greatly missed, but we wish them all the best! We also saw the retirement of Brebeuf VP, Mr. Walter Spano, after 16 years of in administration, including five years at Brebeuf. This year, we saw the retirement of two members of our custodial team: Mr. Alex Tungcol and Mr. Fred Cristobal. We congratulate all retirees! Finally, this year, we welcomed a new Vice Principal - Mr. Andrew Peacock, who was a Guidance and lead teacher at Msgr Fraser prior his placement at Brebeuf.

As we approach the end of the year, we would like to extend our blessings to you during this Advent season, and wish you all a very Merry Christmas and a Joyous New Year!

## New Scholarship Announced

A new scholarship was established in 2019 through the generosity of **Barry McInerney '81** and his wife Rose. Named in honour of their late son Marcus, the Marcus McInerney Scholarship is awarded to a deserving student in financial need to help him attend a post-secondary school. The inaugural winner of the Marcus McInerney scholarship is **Aidan Cooke '19**.

In addition to funding this scholarship the McInerneys also established "The Marcus Fund" whereby these funds would be used at the discretion of the Principal to help cover expenses for students in financial need for areas such as student activity fees, Grade 9 Orientation and other class excursions. The objective of this fund would be to help these students fully experience all that Brebeuf College has to offer, regardless of financial need or circumstance.

### Thank You George Macri

A special note of thanks to **George Macri '69**. George has been a very loyal and generous supporter of Brebeuf since his graduation 50 years ago. He annually supports scholarships and awards at the school as well as alumni events like the pub night and golf tournament. Thank you George – once and always a Brebeufian!

# Class Of 1978 Celebrates Brebeuf Reunion

Acting on an idea by Mark Heintzman to celebrate 60th birthdays of a select group of '78 alumni that kept in touch over the years, Andy Janik plans a bigger party that celebrates not only the Class of 78 but those that were together in 1973/74 embarking on their high-school education at Brebeuf College School. Grade Nine photos were duplicated from the 74 Yearbook and made into name tags for all.

With Sponsorship assistance provided by Anthony O'Brien and a "keynote address" by Pat Horgan, The Reunion party, named "Club 60", was celebrated this past summer on June 11, 2019 at The Pilot Tavern in Yorkville in downtown Toronto.

Approximately 40 to 50 alumni attended. Notable "Out of Towners" attending the event included: Mark Heintzman (Bermuda), Richard Mahoney (Ottawa), Brian Murphy (Pennsylvania), Mike Ryan (British Columbia) and Jim Walsh (California). ## 2019 Order of Brebeuf Inductees Honoured

The 2019 Inductees into the Order of Saint Jean de Brebeuf were recognized at celebrations held on Sunday, October 20, 2019. The Order is the highest recognition the Brebeuf community bestows on those who have demonstrated the values for which the school has always stood. This year's celebration demonstrated the Order has truly become a Brebeuf "tradition" as numerous past inductees and pillars of the school community returned to honour the current inductees.

The 2019 inductees were :

**Michael Da Costa '92** – as an alumnus and a staff member, Mike is known as "Mr. Brebeuf". Whenever there is work to be done at or for Brebeuf, Mike will volunteer. He is always there to lend a hand or to lead an initiative. The work he does as leader of the gifted program, his extensive volunteer efforts with the Alumni Association and with Social Justice initiatives are just a few examples of all that Mike does to help Brebeuf. Mike gets involved wherever needed and does the jobs so many others are unwilling to do. Most importantly, he does so without any want or need of recognition – he does so because he is committed to making things better for others.

Mike strongly supports both the Jesuits and the Presentation Brothers and is very dedicated to maintaining the link between Brebeuf and these two religious orders who played such an important role in the history of this school. Few individuals give more generously of their time and energies for the betterment of the Brebeuf Community than Mike Da Costa. He is truly "A Man for Others".

**Sergio De Miglio** has served the Brebeuf community for the last 30 years as a teacher, chaplaincy leader and ski trip organizer. Among his many contributions are planning and leading the annual retreats for all Brebeuf students. His office in the Chaplaincy Center is always open so that students with some very difficult life problems are able to talk to him and get kind, non-judgmental advice. Sergio also provides daily care for Brother Spencer (another OSJB recipient and a key pillar of the Brebeuf community) with great love and admiration, making him a lunch every day, and visiting or calling him daily.

Outside of Brebeuf Sergio is a very dedicated and active member of Blessed Trinity Parish and a volunteer in various sports organizations. Sergio could have retired years ago, but keeps on teaching because he loves his students and looks forward to coming to Brebeuf every day. Sergio exemplifies the motto "A Man for others"

**Claudio Gorizzan '79** - no Brebeufian has been as loyal or as generous to Brebeuf as Claudio over the past 40 years. To honour Brebeuf's 25th Anniversary in 1988, the Gorizzan family donated the large stone wall identifying Brebeuf that fronts onto Steeles Avenue. Claudio has been a consistent supporter of many projects at Brebeuf, often doing so 'anonymously' without any request for recognition. This generosity can be seen in the return of football to Brebeuf, the 2018 senior hockey team's trip to OFSSA, the school's 50th Anniversary celebrations as well as supporting the Brebeuf Equipment Fund, scholarships and academic awards. Claudio has also been very involved with the Jesuits of Canada. Within the Town of Richmond Hill, Claudio has also been a civic leader and philanthropist. Claudio makes a difference in his community; he is a soft spoken man with a very positive attitude who focuses on helping others".

Claudio Gorizzan – forever a Brebeufian and a "Man for Others".

The Brebeuf Alumni Association gratefully acknowledges the financial support of the following sponsors and donors :

Paul Bar '79	Tony Bortolin '79	Bryon Disera '81	Kevin Duffy '79
Paul Fujiwara '79	Peter Gillespie '85	The Jesuits of Canada	Jim MacDonald '79
George Macri '69	Brian O'Neil '92	Dennis Tobin '79	Joe Younder – former staff

With the induction of these additional "Men for Others", the Order of Saint Jean de Brebeuf has truly become a Brebeuf tradition, which we hope will endure for many decades to come.

2020 Nominations will be accepted until January 31/ 20. Steve Kahnert '68 submitted the following update:  
 On Thanksgiving weekend 2019 friends since St. Gabriel's (grade seven) did brunch at Lady Marmalade, Toronto. Far right, Stephen Kahnert '68 next to Rick Reddick MD '68 (recently retired), next to Rick's sweetheart Dr. Darlene Elliott next to Stephen's son Emmett (whose middle name Joseph gave him the initials E.J. as an homage to Mr. Barry).  
 The Kahnerts were up from Chicago on Emmett's 16th birthday trip. Stephen notes that Dr. Peter Dungan '68 (not shown) and he share the identical birth date turning Sweet Seventy this December 19.
