

BREBEUF ALUMNI ASSOCIATION

BREBEUF COLLEGE SCHOOL

Since its inception in 1981-82, the Alumni Association has evolved from a yearly social/sports focus to become a strong constituency within the Brebeuf community. Thus, the Alumni Association has set its three main objectives as the following:

- To help keep alumni in touch with Brebeuf;
- To help keep alumni in touch with one another;
- To support the Brebeuf community by contributing to the school in a variety of academic, social, athletic, and cultural programmes. We aim to be “Men for Others”.
