

BREBEUF COLLEGE SCHOOL NEWSLETTER – VOLUME 10, ISSUE 2 – APRIL 18, A.D. 2013

EDITOR'S MESSAGE

The picture of the Class of 1968 on the front cover of this issue of *The Relations* certainly does seem as if it is from the very distant past. It was taken in the library in the old building with nary a computer in site. These students, the first to attend Brebeuf from Grade 9 to Graduation, reflect the ethnic diversity of Canada at the time. Sitting proudly in their brown blazers, they were in their fifth year of high school – Grade 13. The technological and societal changes since then are mind-boggling, yet on reflection, one is struck by the constancy of the Brebeuf tradition.

We remain an academic school devoted to the Christian education of young gentlemen. The same motto – *Studio Gradum Faciant* (“Win Merit Through Study”) still inspires Brebeuf College as it continues to do its best to create an environment conducive to the development of all of the boys in our care. Our connections with the Jesuit Fathers and Presentation Brothers, through such programmes as Kairos and the Ghana trip, show our commitment to honouring and nurturing these traditions and our Catholic foundation. We rightly celebrate the achievements of the past fifty years as we take stock and plan for the next fifty years of forming “Men for Others”.

In these pages of *The Relations*, one cannot help but be impressed with our students and staff. In academics, service, athletics, and social events, our community is vibrantly active. As an alumnus, I am very proud to be associated with this school.

God bless,

Michael Da Costa, Editor

The Relations is the official newsletter of
Brebeuf College School.

AN IRISH REFLECTION

By Colm Keena & Eoin MacSweeney
Presentation Brothers' College, Cork

Hello all in Brebeuf College from Colm and Eoin in Cork, Ireland. It really seems like only yesterday we were visiting Brebeuf and attending the annual **Social Justice Symposium**. It was a huge honour for us to be invited to come to Toronto and to share (pardon the pun) with you all the story behind our school's charity 'S.H.A.R.E.' (Students Harnessing Aid for the Relief of the Elderly).

It was an incredible experience for both of us and we cannot thank you all enough for your incredible hospitality and friendship. We must admit we were a bit apprehensive and didn't know what to expect but the welcome we got in Brebeuf College and at the Symposium was simply staggering!

We hope that you will have found our presentation of benefit and that perhaps it may have sparked an idea of a possible Brebeuf-style S.H.A.R.E in the future! The

strong links between our schools and the Pres family is something to be proud of and something we recognised instantly on setting foot in Brebeuf.

It wasn't all 'work' and we were fortunate to be able to do a bit of sightseeing too while on our short visit. Obviously from the moment we touched town in Toronto one Canadian landmark was visible quite literally everywhere we went... Tim Hortons, we are still suffering withdrawal symptoms from the lack of them back in Ireland! And of course we did get to Niagara Falls and to the top of the CN Tower as well, despite our misgivings about the CN's glass floor which we put to the test!!

Lastly we would just like to extend a sincere thank you to all the staff and students in Brebeuf, in particular to Darren Pereira, Adam Nemes, Raffi Dergalstanian, the Social Justice Club, Michael Da Costa, and Brother Henry for looking after us so well during our time in Brebeuf.

We can only best describe our gratitude to you all in Irish:

Go raibh míle maith agaibh go léir, agus gach dea ghuí don todhchaí! (A thousand thank you's to you all and best wishes for the future)

VOICES THAT CHALLENGE

By Mr. R. Loh '04

(L-R) Simeon Charles (Gr.11) and Greg Rogers '72

The Voices that Challenge Conference is a day where student leaders from across the TCDSB come together to listen to presentations on social justice and leadership initiatives that are happening within schools across the board. The conference is mainly organized by the student trustee and the Catholic Student Leadership Impact Team. The workshops themselves are mainly run by students as they share the different programmes that run at their schools and the organizations in which they are involved. The

highlights of the conference involved a keynote speech from Marc Kielburger and a closing speech from Tom Barlow, both Brebeuf Alumni. Attendance at the conference is a great networking opportunity for student leaders to see what is happening at other schools and to reflect on what programmes or initiatives would be beneficial to include in developing leadership and social justice awareness. Given the presence of Brebeuf alumni at the conference, it was a fantastic opportunity to see what graduates from Brebeuf have gone on to do in the greater community.

50th ANNIVERSARY

There is a lot of planning going on behind the scenes to organize appropriate ways of celebrating Brebeuf's first fifty years!

The **Logo Contest** in the fall saw dozens of outstanding entries and was won by **Yashar Davari**.

A **School Assembly** will be held on April 23 to kick off the 50th anniversary year. The Guest Speaker will be **Mr. Michael Daoust '67**, former staff and a member of Brebeuf's first Graduating Class. The school's 50th anniversary arayer will be presented for the first time, our new flag will be unveiled, a retrospective video will be shown, the new song will be sung, among other things to mark this milestone in Brebeuf's illustrious history!

The **Athletic Banquet** in June will have a 50th anniversary theme, with past Athletes of the Year in attendance.

SPIRIT WEEK

SPORTS

By Mr. A. Sabatini '93

The **Badminton Team** is rolling along in historical fashion with a 5-0 TDCAA regular season record. The team is coached once again by **Mr. Marinic** and legendary coach **Mr. Margou**. The Bulls will enter TDCAA playoff action next week at Humber College. Good luck gentlemen!

Coach Schmidt and **Coach Savelli** guided the **Junior Basketball Bulls** to an outstanding 10 – 4 regular season record in the TDCAA East division. In playoff action, the Bulls drew perennial basketball powerhouse Jean Vanier. The game was highly competitive and there was end to end action throughout the game. The Bulls lost a nail bitter of a game by 7 points to the talented Vanier “A” squad.

Coach Waithe, Coach Mikes, and Mrs. McTernan were back behind the bench in 2012-13 to lead our **Senior Basketball Team**. The team once again had a good season in the highly competitive East division. The Bulls finished regular season play with a 6 -2 record. In TDCAA “AAAA” playoff action the Bulls were matched up against a strong Father Henry Carr side. The Bulls went toe to toe falling by only 2 points to a talented team.

This year’s **Curling Team**, coached by **Ms. James** and **Mr. Jackson**, saw a group of veteran curlers return to ply their trade on the ice. The team did us proud by hoisting the 2013 TDCAA Curling championship banner. The team travelled to Ottawa this past March to compete against schools from across Ontario in the prestigious OFSAA championships. The championship’s saw our Bulls compete to the best of their ability against the following secondary schools - White Pines, Cardinal Leger, St. Mary’s, Sir Winston Churchill, and All Saints. Great job !

This year’s **Senior Hockey Team** was coached once again by **Mr. Marozzo, Mr. J. MacDonald, and Mr. Cook**. The team saw a group of veterans return for the 2012-13 TDCAA hockey season. The team

culminated the season with a competitive 5-5 record. Thank you to the coaches and players.

Mr. Chin You, Mr. DiMauro, and Mr. Solarski returned in 2012-13 to coach our **Junior Hockey Bulls**. The Bulls finished regular season action with a 4 -4 record. In semi-final playoff action the Bulls were matched up against a formidable Father Redmond team. The Bulls stunned their opponents with 8-1 and 4-1 wins respectively. The Bulls travelled to the Mastercard Centre, supported by approximately 90 staff and students, to compete in the finals against Michael Power. The game was very entertaining and saw end to end action and scoring opportunities for both sides. The Bulls pressed to the end but were defeated by a strong Michael Power side by a 3-1 score. Great work boys!

This year’s **Non-contact Hockey Team** was coached once again by **Coach K. MacDonald** as well as **Mr. D’Adarrio**. The team was competitive throughout the season and advanced to the TDCAA semi-finals against Michael Power. Congratulations to the coaches and players for your hard work and dedication.

Coach James and **Coach Shannon** returned to the **Swimming** coaching staff in 2012 to work with our student-athletes. Congratulations to the coaches and the players for representing our school well at the annual TDCAA Swim Tournament. The squad finished in the top half of schools in Men’s team and Combined Team scores.

Ms. Deveci and **Mr. Chin You** return to the **Table Tennis** staff this year. The team has been practicing and gearing up for the TDCAA Table Tennis Championships which will take place on April 10 and 12. Good luck to the table tennis staff and players!

Our coaches and student-athletes partaking in spring sports have been working diligently preparing for their respective seasons which will kick-off shortly. Brebeuf College School will field teams in baseball, track and field, rugby 15s, senior soccer, and junior volleyball. Good luck to all this season!
