## PRESIDENT'S MESSAGE

by Norm Lang '85

Since the conception of Brebeuf's Alumni Association in 1981, its growth and development has been formidable. One of our major accomplishments has been the ability to produce and set forth a firmly established "calendar of events." These have been well received and the great participation has given us the confidence to continue promoting and organizing Alumni activities.

In addition to successful events, our new and improved *Alumni B* has given us the opportunity to communicate with classmates from every year and maintain friendships made over the last thirty years.

In order to identify ourselves more with Brebeuf and to keep our existing friendships going strong, we have taken on two major projects. One is the **Hall of Fame Restoration** and the other is the **Harris Publishing Alumni Directory**.

The Hall of Fame Restoration project was initiated by Brebeuf Student Council President, **Robert Killoran '96**, who points out, "At this point in time, we are in need of more funding so we can continue to remount and reframe all our legendary sports photos." Donations of any amount are appreciated, but a donation of \$90.00 or more will engrave your name or your company's name as a *Sports Hall of Fame Patron*. A donation form is found on page 11. Please support this worthy project. Special thanks to Thomas Rice '70 for being our first Hall of Fame patron.

The Harris Publishing project will enable alumni to keep in contact with

one another. Harris publishes alumni directories for colleges and universities across North America. Harris will soon mail out a questionnaire to each alumnus. Upon completion our database will have improved dramatically. By next year, the complete directory will be available.

In sports, the exciting new format for Brebeuf's **Tomahawk Tournament**, will take place on Thurs., December 22nd. As well, the **Rock'm Sock'm Floor Hockey Tournament** will take place on Friday and Saturday, February 17 - 18, 1995. Contact your year rep or **Steve White, '81** at W (416) 868-2632 or H (416) 769-1342 as soon as possible because we are booking early.

After 3 years without a change, the Alumni feels that there is a need for restructuring at the executive level. I have decided to step down as President but will continue in an advisory capacity, handling the Harris Project. As a result, we will hold an **executive**

## EDITOR'S NOTE

by Roman Turlo  
(Staff)

**I**t was only a few years ago that **Norm Lang** and I lodged ourselves in front of the Brebeuf Xerox and patiently waited for copies of the latest issue of the *Alumni B* to emerge, praying that we could run the machine for 5 minutes without a jam. Along with stapling nightmares and toner trouble, it was a miracle that we actually published 2000 complete issues. We've come a long way since then, and are proud to present what we believe is the best *Alumni B* to date.

### Changes include:

- ▶ a new **masthead** that will adorn the front cover of every issue of the *Alumni B* (hats off to Kirby Szeto)
- ▶ the addition of **4 more exciting pages** (we've gone from 8 to 12 pages)
- ▶ **more pictures** (at least one per page)
- ▶ **more ads** (20 per issue)

- ▶ a **bi-annual** circulation with publication dates in March and September (Mr. Sullivan informs me that this will nicely coincide with the **equinoxes**)
- ▶ a **savings** of approximately \$900 in mailing costs due to the reduction from 3 to 2 issues per year

There are **3 major goals** of the *Alumni B*.

One is to **inform** the graduates, especially of upcoming events

Another is to **celebrate the good news** occurring within the extended Brebeuf community. So please let us know. We look forward to finding out what's happening out there.

The third goal is to make the newsletter **financially self-sufficient**. We have been getting closer with each new issue. We therefore thank the **20 advertisers** in this issue who have generated a much needed \$600.00 and we thank in advance the **next 20 advertisers** for March's issue. (We promised that wouldn't approach the same advertiser twice in order that everyone would have an opportunity to promote their business, and support the *Alumni B* at the same time

Finally, I'd like to sincerely thank

**Stephen Pickett '91** and his father **Dan** (owners of **Pal Printing**) for their cooperation and generosity in making this newsletter possible. Be a *pal* and check out **Pal Printing** at St. Clair and Yonge St. in Toronto.

## CAREER DAY

On **April 20th**, our **Guidance** Department and the P.T.A. presented a Career Day in which 15 professions were represented by more than 35 people. Among them were Brebeuf Alumni who

by Mike Rogers '81

freely gave their time to provide in class presentations of their job experience and background. We wish to thank **Sean Blaine ('83)**, **Dennis Tobin ('79)**, **Frank McGrath ('82)**, **John Corso ('88)**, **Barry McInnery ('81)**, **Bryan Vigneaux ('80)**, **Paul Teolis ('83)**, and **Pat Morris ('79)** for their contributions.

If you are interested in participating next year, please contact Mike Rogers at 393-5508.

## ALUMNI AWARDS

by Frank McGrath '82

For the first time in Brebeuf's history a graduating student has been awarded both the Alumni Association's **Redmen Spirit Award** and the **Fr. St. Clair Monaghan**

**Alumni Scholarship Award.** The Redmen Spirit Award is given to the student who makes the most valuable contribution to the Brebeuf Athletics Programme, while the Monaghan Scholarship (in honour of Brebeuf's first rector) is awarded to a graduate who best combines academic excellence and extracurricular involvement and leadership. Congratulations are extended to this year's recipient, **Adrian Joaquin**.

At the June 30th Graduation ceremony, **Sean Yao** was awarded the **Peter Knopf Memorial Scholarship**. This award, given in the memory of Peter Knopf of the class of 1981, is presented to a graduating student who combines academic perseverance with the spirit and loyalty that defines a true Brebeufian.

A highlight of this year's Brebeuf Sports Banquet was the presentation of the **Alumni Spirit Award** to **Greg Rogers** of the class of 1972. Greg was honoured in recognition of his initiative in founding the Brebeuf Alumni Association in 1982 and for his continued leadership, support, and dedication in making the Alumni a very vibrant part of the Brebeuf community. Greg is only one of two alumni members to have served on the Alumni Executive and Board of Directors for all 12 years of the Alumni Association's existence.

## BASKETBALL TOURNAMENT

by Nabil Tadros '74

**B**rebeuf's Annual Basketball Tournament has taken on a new format this year by being run as a 3 on 3

competition. It will take place on Thurs., December 22nd. The hope of the new format is to lure alumni teams who should have no problem entering 3 or 4 players. Since the tournament is now 3 on 3 and only played on one basket, it should attract more of those who are not in *peak physical condition*. As well, single entrants will be accepted and placed on a team. Contact Nabil Tadros at H (905) 883-4704 or W (905) 895-2384 to register.

## BREBEUF IN THE T.R.U.

by P.J. Dallimore '89

**I** first encountered "Redmen spirit" 7 years ago when I transferred from De La Salle

to Brebeuf. At first I wanted to play rugby because it was the "thing to do" at Brebeuf, but I quickly fell in love with the sport. I loved everything about the sport; the hitting, the rucking, the mauling, the scoring of tries and especially the team. The team was everything. We were a family and Greg Rogers was our father. It was his "firm but fair" style of coaching and our ability to play as a team that led us to numerous championships.

Since then I've played with other teams but I've never felt the sense of pride as I did with the Brebeuf Redmen R.F.C.. I say this honestly; I miss it, and I know I'm not the only one.

Would you like to feel like you belong to a team again? If you do, then you'll want to unite with myself and join our efforts to enter a team in the T.R.U. (Toronto Rugby Union) that will proudly wear the Redmen crest.

We are currently analyzing the possibility of entering a team in the T.R.U. in the spring of 1995. This team would consist of Brebeuf Alumni, Brebeuf students, and other selected players. The team will be committed to the continuation of excellent rugby spirit under the name of the "Redmen." Both, team play (with a solid foundation in the "basics" of rugby) and having fun will be emphasized.

Anyone who is interested in becoming part of the 1995 T.R.U. Brebeuf Remen can receive further information by contacting the following:

President's Message, continued from page 1  
**election** on Thursday, October 20 at Brebeuf at 7:30pm. At this time, these positions will be open for candidacy: **President, Vice President, Treasurer, Sports Director, and Editor.** If you are interested in playing an more active role in the Alumni, please give myself a call at W (416) 923-3906 or H (416) 483-6980, or contact **Frank MacGrath '81** at W (416) 281-8181, or H (416) 661-8949.

In regards to donations, we wish to thank **Daniel Scully '70, Rev. Ian Riswick '70, Paul Barreca '76, Michael Kovacs '80, Justin Wong '87, and Paul and Rita Knopfel** for their contributions.

Finally, on October 13th, we are asking all Alumni to unite by taking a few moments to pray for **Joey Tadros** as he undergoes a critical eye operation. The 5 year old son of **Nabil Tadros '74**, had his lens and cornea shattered in an unfortunate schoolyard accident at the end of June. God bless you Joey!

## HALL OF FAME RESTORATION

by Robert Killoran '96  
Brebeuf Student Council President

A wise old man once said, "*Plan your Work, then Work your Plan,*" and I guess he was right. My plan did not start off by envisioning a renovated **Brebeuf Sports Hall of Fame**. (That's when *this wise old man* says, "Winners never Quit, and Quitters never Win")

The topic of our **Brebeuf Sports Hall of Fame** came up at Maple Leaf Gardens. My friend and I were seated in the nose bleed section, and we couldn't understand why Brebeuf alumnus **Mike Murphy '69** was not inducted. I took my idea to **Greg Rogers** and he said that there was no set method for inducting people into the Hall of Fame. Several weeks later, our codified "System of Induction" was conceived.

Since there was no immediate need to induct a member of the Brebeuf community, we decided to "update" and "restore" the run down Hall of Fame while still keeping it "sacred." That's when **Norm Lang** and **Roman**

On the closing night of Theatre Brebeuf's "Count Dracula," Rob Killoran inducts the first member of the new Arts Hall of Fame, Kevin Sullivan '74.

**Turlo** entered the picture. **Norm** decided to "initiate" the funding of this latest **Alumni Project**, while **Roman** assisted with the decorating, researching, and photography.

I hope you will soon come back to Brebeuf to see for yourself, how all our hard work, is making this vision a reality. The freshly painted **Sports Hall of Fame** is dominated by red, while a continuous band of white-black-white completes the school colours.

As well as the **Sports Hall of Fame**, there have been several new "**Hall of Fames**" added to our school, now rich in history and tradition. In April of this year, **Kevin Sullivan '74** was the first member to be inducted into the

**Brebeuf Arts Hall of Fame**. We are also in the process of creating a **Staff Hall of Fame**, **Academic Hall of Fame**, and **Spirit Hall of Fame**

Taking on this project has made me realize the value of team effort and leadership. It has made me firmly believe that the "**Brebeuf Hall of Fame**" brings forth an opportunity for every student, past or present, to *etch* their name in Brebeuf history.

### IN SEARCH OF... ALL BREBEUF COLLEGE ALUMNI

Have you ever tried to get in touch with an old classmate, only to find that the last address you have in your telephone directory is outdated? Well, your troubles are over. Soon an impressive directory of our alumni will be available to help you locate all your old friends.

The new Brebeuf College Alumni Directory, scheduled for release in April 1995 will be the most up-to-date and complete reference of over 2000 Brebeuf Alumni ever compiled! This comprehensive volume will include name, current address, phone number, academic data, plus business information (if applicable), bound into a classic library-quality edition.

We have contracted the prestigious Bernard C. Harris Publishing Company, Inc. to produce our directory. Harris will soon begin researching and compiling the information to be printed in the directory by mailing a questionnaire to each alumni. (If you prefer not to be listed in the Directory, please contact Brebeuf, in writing as soon as possible.)

The new Brebeuf College Alumni Directory will soon make finding an alumni as easy as opening a book. Look for more details on the project in the March issue of the Alumni B.

Upsets, injuries, and non stop action. This is how the 13th Annual Brebeuf Alumni Hockey Tournament will be remembered. The turnout was once again very strong, even though we "lost" one team the morning of the tournament.

The pub was a busy place Friday night, with a big screen TV, pizza, a class of '74 reunion and Jim Barlow's world famous juices and spring water.

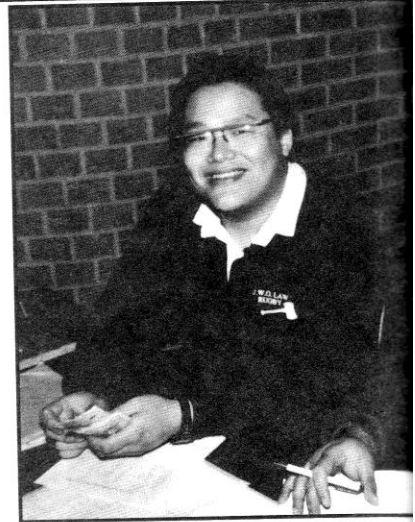

### JUNIOR DIVISION

The Junior Division saw several upsets such as Team '85's streak of winning at least one game every year come to an end.

Two time defending champs, Team '87 had a tough road to the finals, with a

In the finals, they met Team '83, who had solid goaltending and savvy playmaking which gave them a 4 - 1 upset victory. Tom Meagher scored twice, including the winner and John O'Connell added a goal and two assists.

For the second year in a row, the old boy final had the defending champs, **Team '79**, face **Team '81**. With solid defence, **Team '81**, was finally able to wrestle the trophy away from coach **Peter Teolis' Team '79**.
