

By: Peter Gillespie

I am honoured to represent Brebeuf as Alumni President and look forward to serving you throughout my term. I'm pleased to welcome the other members of the 1995 Alumni executive; **Denham Patterson '86**, (*Treasurer*), **Trong Nguyen '91**, **Denis Naraj '81**, **George Longo '86**, (*Directors*) and **Bryon Disera '81** (*Ice Hockey Chairman*).

This newsletter is our only way of reaching more than 2,300 alumni. It takes a lot of energy and money to publish it twice a year, so contributions are always welcome. Remember, advertising in this newsletter is an effective and inexpensive way of reaching a receptive audience.

PRESIDENT'S MESSAGE

Since our last issue, we have added to and updated our mailing list by a total of about 50 names. There are still lots of graduates on file with phone numbers but no forwarding addresses. Volunteers callers from each year, are needed.

I'd like to thank **David Amoroso '95**, a graduating student, for creating a new database for our alumni file. Two other people who deserve special recognition are **Steve Long '87**, who coached the *Jr. Rugby 7s* last fall and **Malcom Chesler** (a 1960 Basketball Olympian), who led the *Sr. Basketball* team to a successful year.

On a sad note, **Beth Gosse** (staff, 1987-91), who waged a courageous battle against cancer, passed away last autumn.

Looking ahead, 1995 promises to be an exciting year.

Our **Hall of Fame** restoration continues -- many thanks to our most recent patrons. Remember, a donation of \$90 will qualify

you as a patron and your name will be engraved in the *Hall*.

Norm Lang '85 is overseeing the Harris Publishing Directory, which has had a tremendous response. Look for it in 1995.

Jim Barry and **Emmanuel Bernard** are both retiring at the end of this school year. Their tremendous contributions will be remembered. A celebration is planned for Saturday, May 6.

The school uniform, specifically the venerable blazer, is up for review. Rumours are circulating that it will be replaced with a sweater or vest. We encourage your comments.

This year's school play, *Joseph and the Amazing Technicolour Dream Coat*, is selling out quickly. Call **Gerrard Devine** at 393-5508 to reserve your seat. The show runs from Thursday, April 27 until Sat., April 29.

Finally, I'd like to thank **Roman Turlo** for producing the past several newsletters. This will be his last issue. If anyone can help fill this most important gap, please let us know.

CO-OP EDUCATION: A SUCCESSFUL ALTERNATIVE

By Jason Pan

For the past three years, Brebeuf has offered an extensive co-operative program for students, which has been described as the "most useful course at Brebeuf."

Co-op is a two-credit program, with both an *in-class* and an *out-of-class* component. Students are given placements according to their career interest and are educated through hands-on experience. They attend work on alternate afternoons.

*Co-op Director
Larry Vindischman*

"If there's any course at Brebeuf that will help you in the future, co-op is it!" says **Brian**

Ramos, a Grade 12 student who is a student of the program.

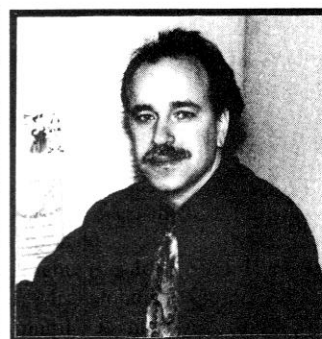

Brebeuf has had the privilege to place students with **Toshiba, Volkswagen, Scarborough Grace Hospital, Sick Kids Hospital, Peat Marwick Accountants, Sullivan Entertainment, Unisys, Manulife, Royal Bank, H.H. Angus, Bratty & Partners, Clark, Farb, Garetnere, CAA, Math & Tobin, the MSSB and Rogers/Cantel.**

Under the direction of **Larry Vindischman**, the co-op program has grown from 27 students in 1992 to 76 students this year. The increase in the number of students interested in the program has resulted in the need for more placements, as well as an additional teacher, **Rick Naccarato** from De La Salle.

Co-op would like to thank all those Brebeuf alumni who in the past three years have offered student placements.

The list includes:

**Kevin Sullivan ('74)
Aldo Di Felice ('81)
Dennis Tobin ('79)
Malcolm Anthony ('78)**

Rick Naccarato

**Larry Lansefield ('75)
Steve Macdonald ('76)
Paul McMahon ('78)**

Co-op has been a positive educational experience for both employers and students and, as a result, we're planning to expand the program again next year. We are interested in locating Alumni who are willing and able to offer placements.

For more information, please contact

**Larry Vindischman or
Rick Naccarato at

RUGBY TRADITION EXPANDS WITH T.R.U. SEASON

By Robert Merenyi '89

Brebeuf Rugby started back in 1982, when **Greg Rogers** introduced us to a sport with a strangely shaped ball.

Since then, Brebeuf has established a strong tradition of rugby excellence. It is now our pleasure to announce the addition of a new Brebeuf Rugby entity: The **Brebeuf Alumni Rugby Club**.

This team, scheduled to begin playing this spring in the Toronto Rugby Union, will be composed primarily of Brebeuf Alumni who want to come back to a team that is dedicated to hard work, team play and having fun.

The idea was first conceived when a number of Brebeuf Alumni, who were playing for various teams in the Toronto area, decided that they wanted to play for a team that had strong roots and that really cared about them. At first, it was just a

Alumni Rugby Council President Robert Merenyi (left) and Vice-President P.J. Dallimore.

dream. Then, at a meeting last December, the dream came true.

Brebeuf Alumni Rugby (**BAR**) was born and its first executive council was elected, consisting of

P.J. Dallimore '89
Vice-President
(416) 444-9860

Dan Desmarais '88
Treasurer
(416) 690-6390

We will concentrate on our *First Team* and an *Under-19* team, which will be comprised of current Brebeuf students who want to improve over the summer.

More than 20 players signed up at our initial registration on April 3. Ideally, we would like to see *all* former Rugby Redmen become a part of this dream.

We are also looking for a *certified* Head Coach and would appreciate your assistance in recommending the right person for the job.

We can't tell you how exciting it is to be part of the Brebeuf Rugby scene again. We can hardly wait for the first kick-off. Practices have begun and are on:

Mondays at 6:30 p.m.

and

Wednesdays at 6:30 p.m.
at Brebeuf.

So shine up your boots and join the **BAR**.

WHERE ARE THEY NOW?

STUDENT COUNCIL PRESIDENTS 1963-1995

By Rob Killoran '96

NEAL ENRIGHT, 1963-64

Brebeuf's first Student Council President is rumoured to be living in Calgary.

RICHARD SNYDER, 1964-65

Richard is living in Texas (supposedly preparing a bid to buy another CFL franchise).

DAVID MURNAGHAN, 1965-66

David brought Brebeuf into the Ontario Catholic Student Council Federation. After catching the showbiz bug from Mr. Barry and Fr. Meagher, he went into advertising, specializing in TV commercial production. He is producing a CFTO-TV soap opera called *Family Passions*, is married and has three children.

NEAL KEARNEY, 1966-1967

Neal is a lawyer in Newmarket. He has been married for 24 years and has three children.

PAUL MCGUIRE, 1967-68

Paul's platform included open dances to non-Brebeuf students and exemptions from final

exams. His year also experienced the first Mo-Breb dance. Paul is the principal at Sacred Heart. He lives in Markham with his wife and three teen-agers.

J. PAUL ADAMS, 1969-70

Paul's team drafted the first Brebeuf Student Constitution. His platform revolved around the slogan: "Results through action." He has returned to Brebeuf as a teacher and is involved with the play, *Joseph and the Amazing Technicolour Dreamcoat*. He created BC Jazz, Brebeuf's own a cappella group.

FRANK FLANAGAN, 1970-71

Frank attended Notre Dame University. He now resides in California.

MICHAEL WALSH, 1971-72

In Fr. Maher's last year as principal, his council initiated the position of Jr. V.P. and Sports Rep. He is married to **Suzan Pitts** (SJMP '75) and has two children. He works at Sun Microsystems of Canada as Canadian Director of Marketing.

GAR KNUTSON, 1973-74

Gar is the MP for Elgin-St. Thomas district. He is a lawyer and is married with two kids.

MATT HALPIN, 1975-76

Matt graduated from the University of Ottawa law school in 1984. He is a lawyer and partner with Blake, Cassel and Graydon. He and his wife, **Liette** are the proud parents of a new-born son.

PAUL FUJIWARA, 1977-78

Paul's council raised about \$8,000 for a new weight-room machine. He is the controller for Reebok Canada, is married to **Mari Lou Munro** and has two children. Paul still warns young Canadians that premature weightlifting may stunt their growth.

PHILIP HORGAN, 1978-79

"Time for Horganization." Phil introduced *Buttkiss*, Brebeuf's mascot for basketball and football. He is a lawyer in commercial litigation at Morlock and Associates. He is president of the Thomas Moore Lawyer's Guild and the of the Catholic

PATRICK GALLIGAN, 1979-80

Pat dedicated his year to getting a stereo system for the cafeteria. He was renowned for his ability to stay out of trouble. He is a professional actor who has appeared in *Theatre Plus*, *Side Effects* and *E.N.G.* Pat is married and has one child.

FRANK MACGRATH, 1980-81

Frank set up a new constitution and revived the Mo-Breb talent night. With the help of Mr. Daoust, the Nation Intramural System was created. He also raised \$3,000 for Cancer via the Terry Fox Run. He is V.P. at Miller McAsphalt Properties and Alumni Chairman. He is married to **Mary Lynn McInerney** (SJMP '83). He requests any coupons for free golf lessons.

CHRIS STANFIELD 1981-82

Chris dropped Fr. Beaudois' chemistry class, allegedly to create more time for student council. He fondly remembers the formal at the Inn on the Park and occasionally still has chocolate almond nightmares (the campaign raised more than \$6,000). He is in sales at Bell Canada and is married. His son, Liam, is one year old.

ANDREW HALPIN, 1982-83

Andrew played pro hockey in Germany for one year, where he tried to convince the locals that he was the reincarnation of Bobby Orr. He will graduate in May from Dalhousie's dentistry program and expects to practice with his brother (**David Halpin '74**) in Ottawa. He will be getting married July 1. Andrew reminds sporting alumni to always wear their mouthguard.

JOHN SHIN, 1983-84

John got his degree at UofT. He is interning at both St. Michael's and Mt. Sinai Hospitals, specializing in ophthalmology, proving he still has real vision.

GEORGE LONGO, 1984-85

Encouraged by his success with the Brebeuf "B", George purchased his own newspaper, The Villager, in the Bloor West Village. Early every Saturday, he can be seen delivering the morning edition from his Porsche.

ANDREW PIERRE, 1985-86

Andrew worked for the OPP at Sioux Lookout for several years and currently works for the semi-tropical Lindsay detachment. He is still addicted to chocolate fudge.

JOHN CORSO, 1986-87

John organized the school's first video dance, as well as the smashing senior formal at the Harbour Castle. Many will remember the Club 999 raffle for a brand new luxury automobile. He co-hosted Radio Brebeuf with **Steve Sabol '88**, broadcasting to students everywhere (and via satellite to the portapak).

John graduated from Western in 1992 and worked at Wood Gundy for two years. He is attending the Harvard Business School and will graduate in 1996. He is a member of the school's rowing team.

STEPHEN LESLIE, 1987-88

He created a major fashion breakthrough when blue jeans got the okay for casual days. All five of his dances were sellouts and he revived the 3-on-3 basketball Tomahawk. He is a commercial account manager with TD Bank in Saint John, N.B., and is soon to be married.

ROB BOUDREAU, 1988-89

Rob's accomplishments include extended dance hours, fries in the cafeteria, more casual days, the return of Radio Brebeuf and teachers vs. police basketball challenge. He currently works at IBM Marketing and Support Services.

FLOOR HOCKEY

By Steve White '81

This year's *Floor Hockey Tourney* took place Friday, February 17 and the *early, early* hours of Saturday, February 18, as a result of a scheduling conflict. We apologize for any inconvenience this may have caused, and will see a return to our regular format next year.

The condensed schedule created a greater sense of urgency and intensity for the teams involved. Twelve teams fought for the coveted **E.J. Barry Trophy**, and by the end of the night, it was down to **Team '89** versus **Team '87/'92**.

Team '89, with a strong ice hockey background, persisted 3-1 over their hard-working opponents. The winners were rewarded with 'new for 1995' Brebeuf Alumni hats. Congratulations Team '89!

Thanks to **Dennis Naraj '81** for running a successful pub and to **Drew Munro '82** for all his help, including timekeeping, check-in, and making sure the evening was a success.

CALLING ALL HOOPSTERS

Friday, May 5th will be a day to remember, with lay-ups, air-balls and just plain fun at the 1995 **Brebeuf Alumni 3 on 3 Basketball Tournament**. Originally scheduled for December, we will now hold the tournament May 5, from **6 p.m. till 10 p.m.** We would encourage you *closet, casual, and legends-in-your-own mind* players to come and shoot some hoop. We're sure it will be a fun, wild and wacky affair. If you older guys need a confidence boost, come out and push the young attitudes around. You younger boys can get a few lessons without paying for instructional classes. The cost is **\$15** a person. The winning team receives a trophy and **Brebeuf Alumni caps**. All other participants will receive free Kleenex. Get a team together and contact:
