New School Building

by Michael Da Costa '92

After thirty-six years in a school built for 450 students, Brebeuf College School is getting a new facility to properly accommodate 1000 male students. Funding has been approved by the Toronto Catholic District School Board and architects are currently working on the design. Construction could begin as early as next summer, and the new Brebeuf should open its doors in September, 2002.

Architects consulted with staff, parents, students, and alumni before beginning the new design. The new building will be a great

improvement: other new Catholic high schools built by the board, including Mary Ward and St. Basil-the-Great College, are all large, spacious, air-conditioned facilities.

The fate of the current building is unknown, and plans for the accommodation of students during construction are not finalized. We may retain the current structure and move the portables to other sites on the property.

Brebeuf has always been an excellent school community despite its facility's shortcomings, preparing students spiritually, academically, and physically for their places in society.

Brebeuf invites alumni to make financial contributions to ensure that the new Brebeuf building matches the excellence of its academic programme and students.

Can you imagine our alma mater with a separate, state of the art auditorium? A hockey arena? A swimming pool? Contact Frank MacGrath or the Principal, Mr. Joe Brisbois, at (416) 393-5508 to see how you can help.

Check out our website for details on the progress of the new building and for architect's drawings.

Clatts Fugit!! Don Clattenberg Retires

by Hollie Doyle

A mari usque ad mare!, Studio Gradum Faciant!, Carpe Diem, Caveat Emptor, Raptus Regaliter!! Think how little these phrases would mean to you without the kind, gentle ministrations of Don Clattenberg in his days of teaching the universal language of Rome. When I began teaching at St. Patrick's High School in Ottawa, the name Clattenberg was legendary. Although Don was at Boston College brushing up his datives and subjunctives, a certain E.J. Barry and I heard all the anecdotes. A current V-P in the Ottawa Catholic schools still has chalk marks on the back of his head from Deadeye Don and the errant brush!

Who can forget the Elvis addiction and the greased look to match? Staff at Brebeuf in the mid 70s will remember the wrestling mats at St. Joe's where Don, replete with his Prince Valiant haircut, defended the honour of the

staff by vanquishing the likes of John Beaton '75 in a match without equal. Stone Cold Steve Austin could take lessons!!

We all remember Room 205 in the middle of January, windows wide open, 35 students shivering in their seats, jackets on, collars clutched around their necks while Magister Clattenberg, shirtsleeves rolled up, breathed in deeply and extolled the virtues of clear, cold, healthy Canadian air! Who dared walk that upper hall without watching for a Judo chop or the equivalent of a Domi hip?

We have all seen the line-ups of supplicants on the bench in the Brebeuf office waiting with trepidation for their cases to be heard by the benevolent and kindly V-P, hoping for a change in their timetable or a blessing. And these were the teachers!! I well remember a time in the Brebeuf parking lot when Don introduced two former students from St. Joe's as "Two tarts I once taught."

Don is well known for his wit, his political correctness (as attested to by Peter Lee), and his admiration for such political heavyweights as Preston Manning and Mike Harris. In fact, there are rumours that he is a ghost writer for some of their better speeches.

In all seriousness, Don will be missed. He has been a stalwart and steady hand at the helms of Madonna, St. Joe's Morrow Park and Brebeuf. Brother Maher counted heavily on his sound advice and extensive experience. (Although Brother was often wary of what might appear in any folder Don had prepared for him to take to meetings.) Don has certainly left his mark on the schools in which he has served. It was a pleasure to have crossed paths, Don. Dominus vobiscum.

Chairman's Message

by Frank MacGrath

Merry Christmas and best wishes for 2000!

This newsletter is only published with the support of alumni and friends of Brebeuf who advertise in it. We encourage you to patronize their businesses; the Alumni Association really appreciates their support.

Please note the alumni email address: brebeufalumni@hotmail.com; we can publicize alumni activities and school news very quickly by email but we need your email addresses (and those of your classmates and brothers.) See page 8 for details on the email contest.

The Alumni Association has representation on the School Advisory Council. We are looking for alumni interested in serving on this council, particularly alumni with a son currently at Brebeuf.

The Alumni Association is considering a series of alumni networking events. We welcome your input on the kinds of activities to take place, suggested timing, location, and more.

Thanks to all alumni donors and to all alumni volunteers, especially the sports tournament commissioners and Executive Committee members.

WHAT IS THE BEST EDUCATIONAL PARTNERSHIP IN TORONTO?

HAWTHORN SCHOOL AND YOU!

How does this partnership work?

- ♦ Parents collaborate with the school in the education of their daughters
- ♦ The school helps parents to develop young women of character

What does this partnership achieve?

- ♦ The school, working closely with parents, provides an education, which develops the whole person. Each student is taught to know, to love and to do the good, by developing the mind, guiding the heart and by fostering responsible behavior.

DEVELOPING THE MIND

Hawthorn School for Girls is an independent private school for girls which offers a superior academic program from JK to OAC. Courses are taught at the advanced level, and to date all Hawthorn graduates have gone on the university programs of their choice. Class sizes are small so the academic needs of each student may be met.

GUIDING THE HEART AND FOSTERING RESPONSIBILITY

Hawthorn School for Girls offers a program of character education that is unique in Canada. Through a personalized advisory system, students are encouraged to grow in virtue and strive for excellence in all aspects of their lives. As students mature they are guided to use their knowledge and strengths of character for the benefit of their families and society.

EDUCATING THE WHOLE PERSON THROUGH:

- ♦ Character Development ♦ Academic Excellence
- ♦ Advisory Program ♦ Parental Involvement

HAWTHORN SCHOOL FOR GIRLS

Competitive Edge

Brebeuf still dominates math competitions at all levels! In the Canadian Mathematics League competition, Brebeuf placed 11th in Canada out of 300 schools and Mark Wang placed 4th out of 8,000 competitors.

In the Toronto Catholic District School Board, Brebeuf captured first place in Grade 9 Pascal, and Grade 11 Fermat. We won second place in the Grade 13 Descartes Contest, with Magno Yu placing first in all of Canada. We placed fourth in the Grade 10 Cayley Contest.

In the Waterloo Math Contest, we won first place in Grade 12 Euclid. Our Grade 11s place fifteenth in Canada and seventh in Ontario, while the Grade 12s placed fourteenth in Canada and sixth in the province.

We fared well in other competitions as well.

Brebeuf's Crystal Growing Club, under Mr. Rado Krevs, placed second in the world competition held in Edinburgh, Scotland this summer.

Last year, two Brebeuf students, Patrick Ma and Parag Shah, represented Brebeuf and Toronto at the Ontario Debating Championships in Chatham, Ontario. Patrick placed eighth in the province!

The Junior Rugby Redmen were the Consolation Champions (third place) at the OFSAA Rugby Sevens in October.

Brebeuf students Cary Chen and Dennis Chu were finalists in the Catholic Register's "St. Valentine's Day Essay Contest" and had their essays published in that newspaper.

Brebeuf placed third at the York University's Science Olympics in 1999.

New Staff

The nine Brebeuf alumni on staff have two more Old Boys to swell the ranks: Mike Aquino and Alex Sabatini, both of the class of 1993.

Mike and Alex teach physical education and science and are coaching the soccer teams. In fact, both friends went to university in the U.S. on soccer scholarships before returning to Canada and attending York University.

Trainer Jubilee

Father Lorne Trainor, S.J., celebrated his 50th anniversary as a Jesuit in late July at the Jesuit chapel in Guelph. Father Trainor is retired but still serves as the librarian at the Guelph Centre for Spirituality. Congratulations Father!

Principal's Message

By Joseph Brisbois

October witnessed the retirement of Don Clattenburg, who provided dedicated service to the Brebeuf community as both a teacher and an administrator. Don's replacement will be Catherine Ponesse; Catherine has served the community as an assessment and programming teacher.

In September Grade 9 students, student leaders, and teachers under the direction of Mr. John MacDonald '82 spent three days at Camp Olympia. The new students learned all about the spirit and the tradition at Brebeuf College.

On November 17, the school held its annual Grade 8 Open House. The evening was well attended and both staff and students provided a great overview of life at Brebeuf.

As you may know, Brebeuf has been identified by the school board for a replacement building. We are eagerly awaiting conceptual drawings of the new school. Building completion is scheduled for September, 2002.

As the Christmas season approaches, I want to wish each of you and your families a very happy and holy Christmas. May the peace of the good Lord be with each of you. I want to thank you for your continued support of the school and the Alumni Association.

Golf Tournament

by Frank MacGrath '82

Nearly 70 alumni attended the June, 1999 Alumni Golf Classic at Silver Lakes. Paul Sobotka led the way with a sparkling 73 followed closely by staff member Rick Naccarato who shot 75 and Bryon Disera '81 with a 77. Team honours went to one of the two Class of '90 foursomes (Mark Hansen, Alex Maggiacomo, Mike Abbass and Paul Sobotka) while Ken Yip-Chuck '79 took home the coveted "most honest golfer" trophy. Many thanks to the sponsors and donors who supported this event: BPI Mutual Funds (Jim McGovern '81 and Mark Purdy '82), Ernst & Young (Steve White '81), Philip Horgan '80, O'Neill Electric (Greg Curran '81), Thornhill Renovation Centre (Bryon Disera '81) and the Toronto Blue Jays (Peter Cosentino '83). Prizes were provided by Aetna Electric (Vic Tonelli '73), Hockey Hall of Fame (Bryan Black '75), Bell Nexxia (Chris Stanfield '83), Reebok (Paul Fujiwara '79), and Alan Beaton '77.

Special thanks to all the staff members who participated, including alumni John Murphy '81, Mike Rogers '81 and Paul Adams '69, who won the prestigious "oldest alumni" award. See you on June 27, 2000!

Floor Hockey Tournament

by Pete Gillespie '85

The 1999 Floor Hockey Tournament hosted over fifty players representing nine different graduating years. The Brebeuf gym resounded with the echoes of heroes past, and the thunder of present day stars. Perennial round robin powerhouse 1997 was able to put together the winning combination this year, wrestling the trophy away from 1989.

For 2000, we're looking to grow the tournament into two divisions; old boys and not-so-old boys. If you remember the Conacher walkway and when there were only two portables, then you're an old boy.

You are guaranteed two games, and sticks and goggles are supplied. The Friday night features a social afterward, where friends can get caught up and stories can continue to get bigger and funnier.

Individuals and teams are both welcome. Call Pete Gillespie at 416-250-5520 x 291 or e-mail peter.gillespie@londonlife.com to confirm your attendance. See you in the Brebeuf gym on February 19-20, 2000!

Basketball Redux

by Valter Viola '82

F Csathy '82 was the only casualty of the first alumni basketball tourney we've had in years, tearing a knee ligament in the opening minutes of the first game against the 90-92 squad led by J Kimens. Minutes before his surgery the following day, lawyer Csathy was quoted as saying he "wanted to see Kimens et al either in court or on the court in May 2000." Kimens et al went on to play in the finals, only to lose to the 94 team in a hard fought battle, 41-29. Special recognition goes out to:

Coach Hill, who made the trip from Midland and reminded us how basketball is supposed to be played

N Tadros, who arranged for refs and brought out old-timers G Kelly, J Melchiori, P Barbetta, M Nestor and R Mackle

J Kimens, P Cullen, S St. Bernard, A Guizzetti and J McGovern, who got in touch with former teammates

J Reventar, one of the few students who played from the high school

N Thadaney, who will help organize the next tournament

M DaCosta, who posted Web page notices and updated the mailing lists

D Neundorf and B McInerney, who refrained from launching the ball from their side of center on several occasions, opting to pass for a change

Team 94, which scored more than 100 points in at least one game.

We need some younger legs and a few more familiar names (Hubbards, Marsiglios and Cusimanos to name a few) to play on May 27, 2000.

Please get in touch with Valter Viola at 416-730-3757.

Hockey Tournament

by Bryon Disera '81

After a year without scoring, '85 netted a total of 19 goals to finally take the title of C division away from '69-'73 (however, this is still C division, so don't get too excited!)

In B division, '90 ended up in first place after the round robin and played the 2nd place team of '89 in the finals. No game sheets were handed in so it's anybody's guess who won.

In A division, aka "The Big Division", '82 defeated '81 in the finals. But '81 has yet to be knocked out of the finals in this tournament which is still pretty impressive!

The 2000 tournament will be held at Beatrice Ice Gardens at York University on May 5-6. To get 16 teams this year we need the teams from the 90s to participate. Anyone who wants to be a team rep, please contact me at home, 905-727-0225; work, 905-889-4176; or by e-mail, disera@sympatico.ca.

Once again, even if you don't play hockey, you are encouraged to come out to the Friday pub at the Blade & Firkin - it's always a good time!
