## Principal's Message

Dear Alumni and Friends,

Although it is now my third year as principal, I continue to be amazed daily by the variety of events that continually reflect the vibrant community we have here at Brebeuf College School. Whether it is in academics, athletics, co-curricular activities, or faith formation, it is clear that Brebeuf continues to be a school with a difference. It is not surprising that many of the local alumni and staff send their sons to this school.

An important factor that makes Brebeuf stand out from most schools is the enthusiastic and generous support of our alumni. We are thankful for the thousands of dollars raised over the years. In order to ensure that Brebeuf remains at the forefront of Catholic education, we need to invest continually in technology, which is used to benefit all students. We appreciate the Alumni Association setting a goal of raising \$50,000 for much-needed equipment.

Alumni generosity is not just financial. Many alumni provide work opportunities for students involved in our growing co-operative education programme. Others mentor students in our Alumni Speaker Series. Some actively coach our teams or donate computer equipment. They attend our concerts, plays, and the Communion Breakfast. Our alumni demonstrate how they live the best ideal of a Brebeuf education, to be "men for others" through the work they do in their communities and by giving back to their alma mater and to the next generation of Brebeufians.

As our patron, St. Jean de Brebeuf, wrote in Canada's first Christmas carol, "The holy Child of Earth and Heaven is born today for you. Come kneel before the radiant boy, who brings you beauty, peace, and joy". May the Christ Child be with you and your families this Christmas and in the New Year. I look forward to meeting many of you at the upcoming Brebeuf Alumni events.

God bless,

Anthony Azzopardi  
Principal

## Alumni Update

On behalf of the Brebeuf Alumni Association I am pleased to announce several exciting new initiatives involving our alumni.

First, the Alumni Association is formally launching the "**Brebeuf Technology Fund**" to generate \$50,000.00 in financial support so that Brebeuf College can continue to provide an excellent academic experience for its students. The monies raised through the technology fund will help to purchase state of the art items such as computers, laptops, and smartboards. The alumni have been very generous in supporting Brebeuf in our previous fundraising campaigns and we are confident that our graduates will join us this new fundraising initiative. **Please take a moment to print off the pledge card on page 10 of this newsletter and send in your tax receiptable contribution today.**

While we would certainly welcome your financial support, the school is also interested in receiving donations of computer products and other high-tech learning aids. If you have such products available (e.g. computer monitors, keyboards, laptops, etc) please contact Principal Anthony Azzopardi at [anthony.azzopardi@tcdsb.org](mailto:anthony.azzopardi@tcdsb.org)

Second, the Alumni Association is encouraging all grad classes to consider holding a reunion when their year reaches a milestone, such as a 5th, 10th, 15th, 20th, 25th anniversary. Please see further details on page 3 as to how we can help your class plan these events.

Third, the Alumni Association has begun very preliminary planning for the 50th Anniversary celebrations at Brebeuf in 2013. We would welcome input and assistance in this important milestone from all interested alumni.

Many thanks to the alumni who advertised in this newsletter and to the tireless efforts of :

## Brebeuf News

Back issues of The Relations are posted at [www.brebeufalumni.org](http://www.brebeufalumni.org) and highlight what is happening at Brebeuf today

### Presentation Brothers' Canadian Centenary

One hundred years ago, the first Presentation Brothers set foot on Canadian soil in Montreal and immediately began to do what they do best: form Christ in the young through Catholic education. Brebeuf, which has been associated with the Brothers since 1984, was the site of the celebrations for the Brothers' Canadian Centenary on Sunday, October 3.

Brothers from Toronto, the USA, and Ireland were joined by family, friends, alumni, past colleagues and current staff. The day began with a Mass in the Chapel following the official welcome by Br. Francis Schafer, Provincial. The Mass was celebrated by Fr. W. Rye S.J., Fr. L. Altilia S.J., and Fr. V. Quinn O.M.I.

Following the Mass, all gathered in the Atrium for a celebratory luncheon and special presentations. Br. Martin Kenneally, the Congregation Leader, was in attendance and spoke of the challenge of engaging young people in their faith and the need for vocations. Br. Denis Claivaz, a native of Montreal, highlighted the order's history in Canada and its special charisma.

There was also considerable student involvement in the celebrations. A beautiful mural depicting the Brothers' history in Canada was unveiled after much toil and effort by Grade 11 art students under Mrs. Cathy Pieroni. As a way to celebrate the Centenary, the Brothers have generously agreed to sponsor one student to attend the school's service trip to Ghana in 2011. The Student Council also marked the Centenary by creating a scholarship to enable a student in Ghana to attend high school.

### GHANA SERVICE TRIP 2011

A group of Brebeuf students and staff will travel to Ghana in March, 2011 to connect with our Presentation and Jesuit friends and perform volunteer work in schools and parishes. Students will earn a credit in Grade 12 Interdisciplinary Studies (IDC 4U1). We hope this will become a biannual experience and contribute to the "men for others" ethos of our school. The staff contingent consists of several alumni including **Michael Rogers '81**, **Michael Da Costa '92**, **Greg Rogers, '72** and **Brother Henry Spencer, F.P.M.** Any parents and friends who would like to advertise in the souvenir programme to help defray the costs for this experience, please contact **Michael Da Costa '92** at [michael.dacosta@tcdsb.org](mailto:michael.dacosta@tcdsb.org) or 416 393 5508.

Alumni and Brebeuf staff **Paul Adams '71** and **John A. MacDonald '82** present the school with a statue of Our Lady to Br Spencer to mark the Presentation Brothers' Centenary in Canada.

## Alumni Reunions

If your class is interested in hosting its own class reunion to celebrate a special milestone year (e.g. 5th, 10th, 15th, 20th, 25 anniversary) then the Brebeuf Alumni Association can help you plan your event.

Here is a brief checklist of how the Alumni Association can help you out, based on the success various graduating years have had planning their own reunions.

1. The most successful reunions are those that are organized and lead by two-three key alumni from that graduating year.
2. Plan ahead and let your classmates know where and when the event will be held (or better yet, send an email to your class soliciting input on date, location and format).
3. If you wish to hold the event at Brebeuf, the Alumni Association can help you with obtaining the necessary permit. We can also suggest other venues that may better suit your needs, such as local pubs, restaurants or banquet halls.
4. Decide on the format that best suits your needs : some years such as the class of '82 hold an informal Christmas luncheon downtown each year; others such as the class of '86 organized a pub night for their 20th anniversary year.
5. Getting the word out : the Alumni Association can provide you with email lists and mailing addresses for your year as well as help you promote this event through the alumni website, Facebook and other media.

If you would like further information on how to plan a reunion for your graduating class, please contact either **Frank MacGrath '82** [fmacgrath@gtigolf.com](mailto:fmacgrath@gtigolf.com) or **Michael Da Costa '92** [michael.dacosta@rogers.com](mailto:michael.dacosta@rogers.com)

## Brebeuf Honours Daoust & Butash Retirements

2010 marked the retirement of two of Brebeuf's longest serving staff members. On Sunday, February 7th the Brebeuf community gathered at the school for a special Mass and luncheon honouring **Michael Daoust '67**, Brebeuf's "iron man". After more than forty years of service to Brebeuf as a student, teacher, coach and Math Department head, Mike retired in January, 2010. After becoming the first alumnus to return to Brebeuf to teach, Mike left 211 Steeles Avenue East having served under every Brebeuf principal and vice-principal and having spent more hours at Brebeuf than any other person.

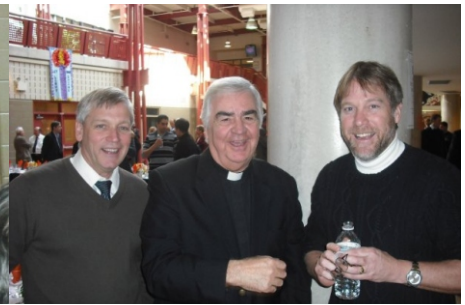

Appropriately, Mike's retirement party brought together various generations of Brebeufians, including several of the original founding staff members and early school leaders such as Neil Gazeley, Tom Sullivan, Jim Barry, Peter Lee, Don Clattenburg, Hollie Doyle, Jim Hill and Joe Will. Other former staff who attended included Ailix Will, Fr. Rye, Mike Pautler '76, Joe Younder, Jacques Carron, Alexandra Stefaniw, Frank Bazzocchi, Joe Brisbois, Greg Rogers '72, Dan DiRocco and Shirley Gasparet. A very special guest was legendary Brebeuf teacher Fr. Don Beaudois, S.J. who honoured Mike with words of tribute at the podium. Mike was also recognized by his Math department colleagues, the Brebeuf student council, the Toronto Catholic District School Board and by his alumni colleagues on staff, most of whom were taught by Mike during their student days at Brebeuf. The Brebeuf Alumni Association presented Mike with a plaque recognizing this very special "man for others" for his tremendous contributions to Brebeuf.

On Sunday, June 27th the Brebeuf Community gathered to extend best wishes to **Tom Butash**, head of the music department, on the occasion of his retirement after 31 years of service to Brebeuf. Originally from Scranton, Pa. Tom joined the Brebeuf staff in 1979 and quickly become involved in the school's renowned music program, helping lead the Senior and Junior Bands, the Dixie 6 and BC Jazz on various international music trips over the past thirty years. Tom was recognized in tribute by many of his current and former colleagues and students. Among the many gifts and honours Tom received that day, two deserve special mention: the **Tom Butash** Award has been created by Brebeuf to recognize student excellence in music. In addition, the Brebeuf Alumni Association has invested Tom as an "honorary alumnus" and Tom reports to the alumni that he is very much looking forward to seeing all of his fellow 'alumni' at the next reunion.

### Alumni Hockey Tournament:

Brebeuf Alumni Hockey 2010

#### **Dennis Tobin '79**

What a difference 30 years makes.

This year's tournament was held on the weekend of May 28-29th at Chesswood Arenas. At least two milestones were achieved. The first milestone was reached when Team 2005 became the third team in the 28 year history of the tournament to win three titles years in a row. Team 05 was lead by goalie captain **Kieran Kennedy**. They went unbeaten in the round robin against Team 89 lead by **Andrea Palermo**, Team 08 lead by **Anthony Ciccarelli**, and Team 04-07 lead by co-captains **Brent and Jamie Tobin**, to face the only other unbeaten competitors-Team 80 lead by **Greg Loffree**. The Championship game was a repeat of last year's final and victory went to the patient youngsters.

Another milestone was the retirement of Team 79. Team 79 is one of the other teams who had won the tournament a number of times including three times in a row back in the old days. Team 79 was known for its strong core, a number of whom were members of the storied Brebeuf Redmen junior team that won the TDCAA championship in 1977. Some players on Team 80 also played on that championship team including **Blair McArthur** and **Phil Horgan**. Survivors and die-hards **Dennis Tobin** and **Paul Fujiwara** from Team 79 were drafted to play for Team 80. On its way to the championship, Team 80 defeated Team 04-07. The score was 6-3, demonstrating the advantage of an extra 30 years of practice.

Next year's tournament will be in May 2011.

Please check the website for pictures and updates [www.brebeufalumnihockey.com](http://www.brebeufalumnihockey.com) or send an email to [djtobin2@rogers.com](mailto:djtobin2@rogers.com).

### Golf Tournament:

The Horgan brothers (**Pat '78**, **Phil '80**, **Greg '75** and bother-in-law Jim Gratgmans) captured team honours at the 2010 Alumni Golf Classic with a sparkling score of 57, just head of the Brebeuf staff team lead by **Paul Adams '71** and Rosemary Lavery and the young guns from 2005 (**Kieran Kennedy**, **Eric Tyndale**, **Andrew Healey** & **James Murdoch**).

**Joe Domotor '80** took individual low gross honours with a round of '86, narrowly edging **Peter Gillespie '85** who recorded an 89. **Michael Koor '93** proved he was the best putter in alumni ranks, easily winning the putting contest. Please mark Thursday, July 14, 2011 at Sleepy Hollow Golf Club, 1 pm shotgun start, on your calendars for the next alumni golf classic.
