## Order of St. Jean de Brebeuf

### Call for Nominations:

#### 2nd Annual Order of Saint Jean de Brebeuf

In 2012, The Brebeuf Alumni Association initiated The Order of St. Jean de Brebeuf ("OSJB") in honour of our patron. The Order is the highest honour the Brebeuf community can bestow on one of its constituents. Recipients are inducted in recognition of achievement that exemplifies the values and ideals for which Brebeuf College School stands, namely: Faith, Discipline, Integrity, Hard work, Humility, Excellence, Success, Pursuit of the Greater Good, Friendship, Community, and for always being "Men and Women for Others".

Last year, 5 individuals were selected as the inaugural recipients of the Order of St. Jean de Brebeuf:

- Paul Clancy '79
- Father Brian Massie, S.J.
- Neil Gazeley
- Brother Henry Spencer, F.P.M.
- Marc Kielburger '94

The Alumni Association is once again calling for nominations for this year's candidates for the Order of St. Jean de Brebeuf.

The nominations are open to all members of the Brebeuf community including staff (current or past), students, alumni, benefactors, supporters, lay and religious persons. Nominations can be for an individual or a group of individuals.

The Alumni Association's objective is to recognize those who clearly demonstrate the values for which the school stands and to reinforce the sense of community from which we build strength and future achievement. Ingrained is a sense of working for others and of social justice or improvement.

Obtain a nomination form at [www.brebeufalumni.org](http://www.brebeufalumni.org)

Nominations will close Friday, January 18, 2013.

Recipients of the 2013 Order of St. Jean de Brebeuf will be honoured at a celebration dinner Saturday, April 27, 2013.

Jacques Carron.

Longtime Brebeuf staff member Jacques Carron passed away in June, 2012. The following is a brief extract from the blog written by Mike Daoust '67 :

We gathered today to honour the memory of Jacques Carron. It was great to see former colleagues like Tom Sullivan, Peter Lee, Ailix Will, Joe Younder, Joe Brisbois and Shirley Gasperet as well as a number of Brebeuf grads. The service was concluded by the reading of Jacques' eulogy by his sister-in-law Judy in English and by good friend Andre in French. Hearing the text that Jacques and I worked on in his backyard three months ago reminded me of his courage, his generosity and his strength of character. Though he knew the end was in sight, he was determined to leave this world with dignity and grace.

*"It's not often that you attend a memorial gathering and hear a eulogy that's been prepared by the deceased. But then again, you all know I was never your average guy.*

*I feel so fortunate to have had these last few weeks to put everything in order, to say my goodbyes, to share some good memories with friends, to enjoy my backyard, to play an evening game of cards with family and put a few of my thoughts into words as I close out my journey.*

*My message for all of you actually centers on two words; attitude and gratitude.*

*My two fisted attitude of confrontation that existed at the outset of my illness transformed into the open hands of acceptance, the acceptance of the will of God. He wants me to come home, a bit too early as far as I'm concerned but there's really no arguing with the boss is there?*

*A meaningful life is all about attitude. Let yours be one that wills the good of others, that sees the glass half full, that welcomes the rain as well as the sunshine, an attitude that says... Lord, Thank you for the gift of this day, May Thy will be done on earth as it is in heaven.*

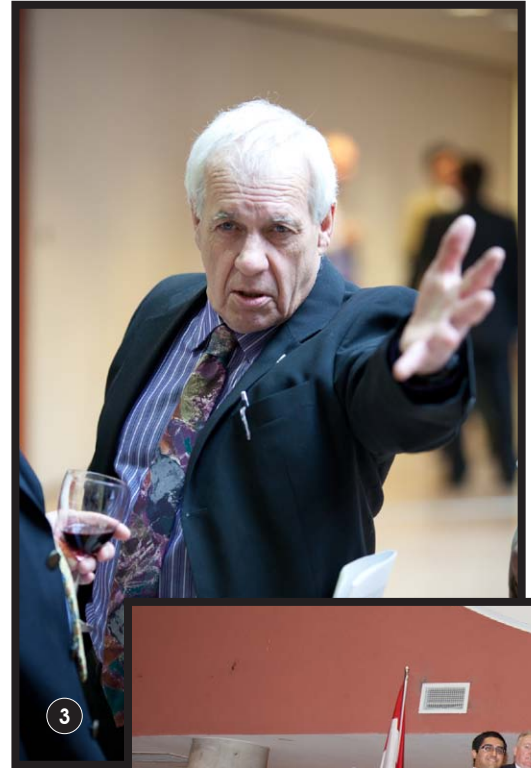

*Life is all about gratitude and love. May I express my sincerest gratitude to all of you for your friendship, your kindness, your affection, your support. My life has been blessed with so many wonderful friendships. You've made me feel tremendously rich. Know that I will never forget you. I love you all from the depth of my heart.*

*Au revoir tous mes amis. A la prochaine"*

### Archbishop Philip Pocock Award Winner: Greg Rogers '72

Each year CARFLEO, the Catholic Association of Religious and Family Life Educators of Ontario, honours a Catholic educator with the Archbishop Philip Pocock Award for excellence in Religious Education in the province.

This year's recipient embodies what is foundational to Catholic education not just in his professional life but in his day to day living. The name Greg Rogers speaks for itself in the TCDSB. In a life dedicated to Catholic education, Greg has touched and shaped the lives of students and secretaries, parents and religious, superintendents and directors.

On the provincial stage, Greg is a founding member of When Faith Meets Pedagogy and is responsible for inaugurating and organizing the bi-annual Catholic Youth Forum which draws 1500 high school leaders to be inspired by the likes of Jean Vanier, Mary Jo Leddy and the Keilburger brothers.

In addition to his board responsibilities as Student Leadership and Staff Development Coordinator, Greg has collaborated and created curriculum and video resources with L'Arche Canada, the Catholic Curriculum Cooperation, and the Institute for Catholic Education. Most recently, he took a leading role in the launching of the revised Ontario Catholic Graduate Expectations.

Most notably, Greg empowers students through annual servant leadership courses and trips to Kenya, India, South Africa, Ghana, and the Philippines. These experiences expose students to cultural, religious, and economic diversity and apply social justice practices as a critical element to Catholic education. Greg knows the power of learning outside the box and outside the classroom. Ask any of the hundreds of Ontario Catholic students who have participated in the Catholic Leadership Camp at Olympia Sports Camp, and they will tell you of how real and relevant Greg has made Catholic education.

The list of Greg's involvement goes on and on, as it does with any great leader who makes such an impact on people's lives. Truly for Greg, it has never been just about the importance of the work as much as it is about the importance of building relationships. No one has ever become a leader because they wanted to keep things the same! Greg's mark on Catholic Education in Ontario most certainly plays a significant and transformative role in the lives of people dedicated to living an active faith.

Greg received his award at the annual When Faith Meets Pedagogy Conference held in late October.

**Editor's note: Greg Rogers '72 is both an alumnus of Brebeuf and a former staff member. In 1981-82 Greg lead the formation of a new organization at Brebeuf known as the Brebeuf Alumni Association. Thirty years later Greg is still making a tremendous difference in the lives of young students as he once did at Brebeuf.**

*"We are not called by God to do extraordinary things, but to do ordinary things with extraordinary love."*

**Jean Vanier, O.C. L'Arche, France**

*In our world today there is a need for a voice for the forgotten, the marginalized and the disheartened; a need for those willing to labour towards the transformation of hearts and of social structures. A man called today to be a Jesuit is answering this call to aid our society and give deeper value and meaning to persons however poor or well off they may be. Just as L'Arche has been the recipient of the covenant of friendship of the Jesuits, so too has our country Canada benefited by the countless contributions the Jesuits have made in establishing our universities, high schools and missions both nationally and abroad.*

***We need Jesuits to walk amongst us and  
I encourage you to share in their mission and support their work.***
