

Recognizing Leaders: Order of St. Jean de Brebeuf

Brebeuf 's 50th Anniversary is a perfect time to recognize someone within the Brebeuf Community who you believe has demonstrated the characteristics our school has always stood for. Below is an interview with Steve White '81, Chair of the Selection Committee, OSJB.

AB: What exactly is the Order of Saint Jean de Brebeuf ?

SW: The Order of Saint Jean de Brebeuf is the highest honour the Brebeuf Community can bestow on one of its constituents.

AB: Who is eligible for this recognition ?

SW: Any member of the Brebeuf Community is eligible including staff (current & former), alumni, students, parents, "friends" of the school, etc. The nomination process is open to both individuals and to groups, such as CSAC or the former Ladies Guild.

AB: What was the origin of the Order ?

SW: The idea for the Order goes back several years. The Executive Committee of the Alumni Association recognized that among the various constituencies of the Brebeuf Community – the Staff, Alumni, students, religious leaders, etc. – we had a group of truly remarkable people doing some very noteworthy activities. As students we were taught the values of the "Brebeuf experience", hard work and dedication, success and of being "Men for Others". Many among our colleagues had not only achieved success but also continued to live their lives with a strong value system and clearly demonstrated their ability on giving back to their communities and truly being those Men and Women For Others that we were encouraged to be. These are the people we seek to recognize with The Order of Saint Jean de Brebeuf.

AB: What is the process for recognizing someone ?

SW: In keeping with the idea of "Community", The Order seeks to be as inclusive as possible – Individuals or groups are nominated by their peers. A selection committee comprised of representatives from all facets of the Brebeuf Community – Alumni, staff (both current and retired), current students, parents, etc. - evaluates the many nominations received and compares the nomination to the selection criteria.

Brebeuf Athletics Celebrates 50 Years of Tradition

The Brebeuf Athletic Banquet: Honouring the 2012-13 athletic season and the past 50 years

By Marc Vittorio '01

On Monday, June 10, 2013, one of the first events to kick off the 50th anniversary celebration, the Brebeuf Athletic banquet was held at Le Parc in Markham. Over 120 athletes and staff gathered to represent all sports clubs at the school. Also in attendance were several members of the alumni encompassing the last 5 decades of athletics at Brebeuf. The 2012-2013 athletic season was a big one for Brebeuf Athletics, as several TDCAA championship banners were raised for Rugby, Curling, and Track. In addition, a record held at Brebeuf for the last 30 years by Jamie Stafford '82 in the 800m of 1 minute 59 seconds was broken this year by Elijah Silva '14 by 3 seconds at 1 minute 56 seconds.

Of the alumni and former coaches in attendance, several were recognized for their accomplishments as athletes of the year. These individuals: Neil Kearney '67, Kevin Lancey '72, Jamie Stafford '82, Peter Gillespie '85, Mike Rowe '86, Barry O'Shea '91, Nick Galatianos '00, Bryce Bettencourt '04, Sean Sutton '10, and Mark Rasing '12 were presented with plaques to commemorate their accomplishments and are currently on display at the school. The representation of these individuals not only serves as a link to the past for current students, but also a reflection for alumni to see their peers honoured at Brebeuf.

Given the success of this banquet, it may be an indication that future events and award ceremonies can also take place outside of the school. An opportunity for more alumni to attend on a yearly basis, is always welcome as we continue to honour and link those who have given so much to the athletic community and the school over the last 50 years and the future. A special thanks to the members of the Athletic Banquet Committee for a very successful and memorable evening.

Alumnus Rowbiker Turns Heads

Valter Viola '82 completed the Enbridge Ride to Conquer Cancer in June but did so in a very unique style as the accompanying photo demonstrates. As reported in The Toronto Star, Valter rode the 200 km course on a "rowbike. Think of a rowing machine mounted on two wheels. Average speed: about 15 km per hour".

According to Viola: "The whole goal is to raise money. I figured if I worked a little harder and had to train a little harder and differently, then people would open their wallets a bit more. And they did".

Valter raised more than \$9,000 from more than 60 donors, all in memory of his father Licinio who had suffered from cancer. He has just started training for the 2014 Enbridge Ride to Conquer cancer.

In the individual competition Peter Gillespie '85 took low gross honours with an '85 while Chris McLennan '85 and Thomas Phelan '69 were declared co-winners of the putting contest.

Celebrating Brebeuf's First 50 Years

A Look Back at Brebeuf's Early Years

(Continued From Page 1.)

Individuals or groups can be nominated by any member of the Brebeuf Community. There is a formal nomination form which outlines the criteria we are looking for. That form is available at the Alumni Association's website (www.brebeufalumni.org) or they can contact me at swhite.62@live.com.

AB: What attributes are the Selection Committee looking for when making its determination?

SW: Essentially we are looking for a demonstration of the individual's contribution to their community, however that community may be defined. We are looking individuals who demonstrate the values and attributes that Brebeuf College has always stood, namely:

- Faith
- Discipline
- Integrity
- Hard work
- Humility
- Friendship
- Community
- Being Men and Women for Others

AB: Does the Order recognize only those individuals or groups that excel in their given fields?

SW: The people we recognize are true leaders in their communities, are individuals that demonstrate the Brebeuf values not at a single point in time but through the body of their work.

AB: Does the Order of Brebeuf only recognize religious or scholastic excellence?

SW: No. We have recognized a broad cross section of the Brebeuf community in the 2 short years the Order has been in place. Some key individuals have been recognized such as Neil Gazeley, Brebeuf's first Vice-Principal and one of the cornerstones of the school's value system, and Brother Henry Spencer, a Presentation Brothers who not only served as a role model as a teacher but who continues to give tirelessly of his time and guidance despite having retired more than 15 years ago. We also have recognized people like Paul Clancy '79 whose commitment and support to local community beyond Brebeuf is extraordinary, Marc Kielberger '94 who together with his brother Craig founded the charitable organizations "Free The Children" and "Me To We", and Tom Barlow '84, a highly successful musician who continues to use his stage to help educate students and to drive social change.

The Order of Brebeuf by its very nature is intended to allow the Brebeuf Community to recognize its own for their unique and varied contributions that better our world.

AB: What can Brebeuf Alumni members do to participate in the Order of St. Jean de Brebeuf process?

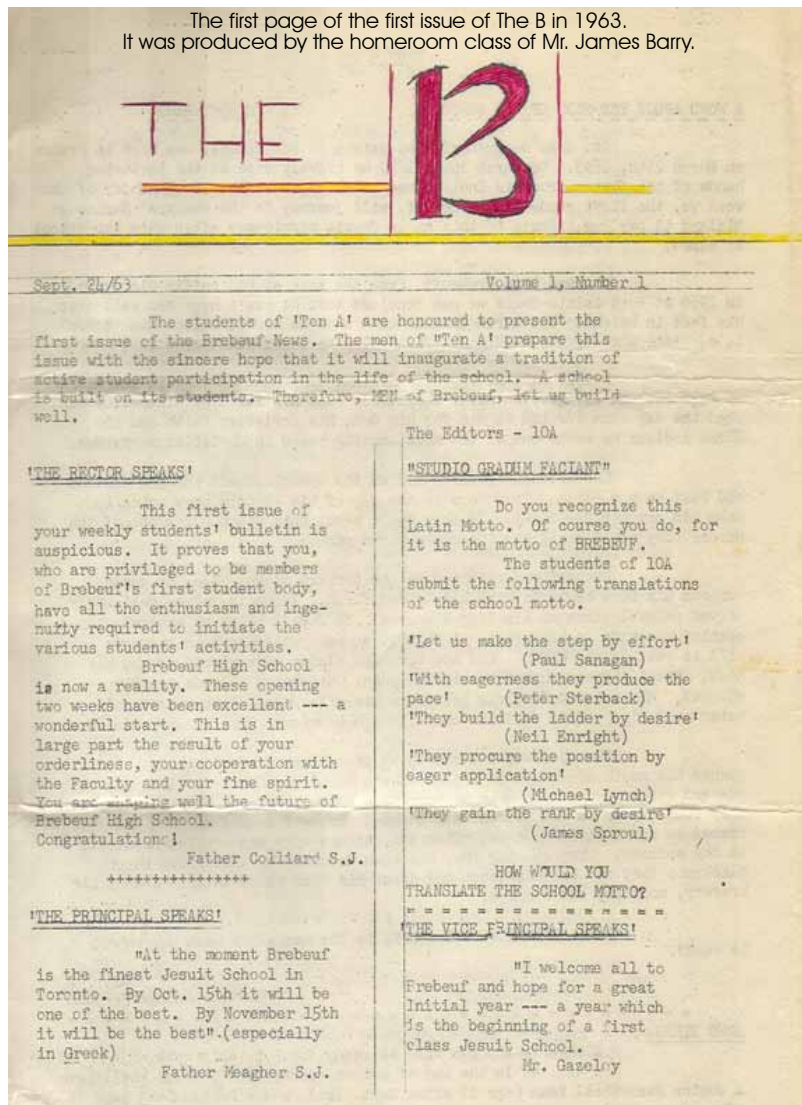

SW: Nominate someone. It's that simple. In May 2014, we celebrate 50 years of success at Brebeuf. It would be terrific to be able to recognize more of our key leaders recognized at the Gala dinner on May 3rd.

I would encourage every member of the Brebeuf Community to think of those one or two individuals who truly inspired them; who stood out among the rest, and who demonstrated a sense of selflessness, a sense of community and could be described as Men and Women for Others. Get a hold of the nomination form – it is not a complex process and will take only a matter of minutes. Don't wait for someone else to do it. If you have been influenced by someone's generosity or their leadership, or have seen someone who gives so freely of their talents on behalf of others, please take 10 minutes to tell their story, because the people we recognize are typically too humble to tell their own story.

These people give tirelessly and freely of their time and talents, they have helped us become the men and women we are today, they have made the Brebeuf Community and all the communities they serve better places, the least we can do is recognize them for their contributions.

To nominate someone please go to www.brebeufalumni.org.

The Nomination deadline has been extended to Friday, January 10, 2014.

Please forward the electronic version on this newsletter available online at www.brebeufalumni.org to any alumni who may not have received a copy.
