BREBEUF COLLEGE SCHOOL NEWSLETTER ~ VOLUME 8, ISSUE 1 ~ NOVEMBER, 2010

## PRESENTATION BROTHERS' CANADIAN CENTENARY

One hundred years ago, the first Presentation Brothers set foot on Canadian soil in Montreal and immediately began to do what they do best: form Christ in the young through Catholic education. Brebeuf, which has been associated with the Brothers since 1984, was the site of the celebrations for the Brothers' Canadian Centenary on Sunday, October 3.

Brothers from Toronto, the USA, and Ireland were joined by family, friends, alumni, past colleagues and current staff. The day began with a Mass in the Chapel following the official welcome by Br. Francis Schafer, Provincial. The Mass was celebrated by Fr. W. Rye S.J., Fr. L. Altília S.J., and Fr. V. Quinn O.M.I.

Following the Mass, all gathered in the Atrium for a celebratory luncheon and special presentations. Br. Martin Kenneally, the Congregation Leader, was in attendance and spoke of the challenge of engaging young people in their faith and the need for vocations. Br. Denis Claivaz, a native of Montreal, highlighted the order's history in Canada and its special charism.

There was also considerable student involvement in the celebrations. A beautiful mural depicting the Brothers' history in Canada was unveiled after much toil and effort by Grade 11 art students under Mrs. Cathy Pieroni. As a way to celebrate the Centenary, the Brothers have generously agreed to sponsor one student to attend the school's service trip to Ghana in 2011. The Student Council also marked the Centenary by creating a scholarship to enable a student in Ghana to attend high school.

Pictures clockwise from left: (1) The new mural; (2) The Student Council President, Shaun Rana, announces the Brebeuf Scholarship for Ghana and presents a scroll to Br. Henry Spencer; (3) Friends enjoy the celebratory luncheon; (4) Br. Martin Kenneally addresses the audience.

*The motto of both the Jesuits and Presentation Brothers is Ad Majorem Dei Gloriam (A.M.D.G), or "For the Greater Glory of God". In the Relations, you will read much about how our students put this expression into practice by developing spiritually, physically, and academically to become well-rounded "Men for Others".*

*I hope that you enjoy reading about some of the good news emanating from our school.*

*Michael Da Costa '92, Editor*

# MEN FOR OTHERS

## GHANA SERVICE TRIP 2011

A group of Brebeuf students and teachers will travel to Ghana in March, 2011 to connect with our Presentation and Jesuit friends and perform volunteer work in schools and parishes. The group will also be able to experience a safe country in Africa and visit many sites of environmental and historical importance. Students will earn a credit in Grade 12 Interdisciplinary Studies (IDC 4U1). We hope this will become a biannual experience and contribute to the "men for others" ethos of our school.

Students: **Jaime Addario, Robert Addario, Emmett Britton, Jacob Ennis, Marek Kmiec, Leon Lui, Justin Miceli, Sam Pahad, Daniel Paiva, Keith Rodrigues, Michael Rychelwski.**

Staff: **Mr. M. Rogers '81, Ms. T. Walsh, Mr. M. Da Costa '92, Mr. G. Rogers '71, Br. H. Spencer F.P.M.**

Any parents and friends who would like to advertise in the souvenir programme to help defray the costs for this experience, please contact Mr. Da Costa at [Michael.dacosta@tedsb.org](mailto:Michael.dacosta@tedsb.org) or 416 393 5508.

## SOCIAL JUSTICE SYMPOSIUM

Brebeuf will host its seventh annual Social Justice Symposium for Catholic high school students on December 10<sup>th</sup> at the University of Toronto. The theme is "Welcoming the Stranger: Refugees in Canada".

The aim of the day is to educate students about Catholic teachings on justice, to learn about a pertinent topic, and to inspire in all a "faith that does justice".

## THE BROTHER MAHER FUND FOR AFRICA

So far this year almost \$500 has been raised through student collections for the Bro. Maher Fund. This fundraising drive helps to support the Presentation Brothers' schools in Ghana. Education under the Brothers is helping to lift young Ghanaians out of poverty by giving them skills for their futures and hope.

Anyone can donate to the Fund at any time. For tax receipts, please contact Bro. Spencer at [henryspencero1@yahoo.ca](mailto:henryspencero1@yahoo.ca) or 416 339 5508.

# FAITH

## KAIROS – GOD'S TIME

Brebeuf's third Kairos retreat took place at Manresa in Pickering from November 3-5. This peer-led experience offered Grade 11 students the chance to develop their relationships with God and each other.

Kairos also connects the school to its Jesuit roots, and we were lucky to have three Jesuits involved: Father Len Altília S.J. was the Chaplain and Artur Suski S.J. and Marc de Asis S.J. assisted.

Kairos 4 will be held May 11-13. See Mr. Gregoris in Chaplaincy for application forms.

## COMMUNION BREAKFAST

This year's Communion Breakfast could not have come on a more appropriate day: Sunday, September 26, the Feast of St. Jean de Brebeuf! Students, staff, alumni, and their families gathered in the school Chapel for a beautiful Mass celebrated by **Father Jim Webb S.J.**, the Jesuit Provincial and former Brebeuf teacher (1968-70).

Following Mass, all were treated to a sumptuous buffet breakfast provided by our school's catering team. It was a wonderful opportunity for all to celebrate our Catholic community. We hope to see you at next year's breakfast.

## VOCATIONS DAY

Brebeuf held its annual Vocations Day for Grade 10 students on November 9<sup>th</sup>. The speakers were **Fr. Len Altília S.J.**, who spoke about the Jesuit and religious calling, and **Fr. Damian Young-Sam-You**, Assistant Vocations Director for the Archdiocese, who told his own story of becoming a priest. Students also saw video documentary “At the Desert’s Edge” about the work of the Presentation Brothers in Ghana.

## ALUMNI NOTES

Brebeuf has an active Alumni Association which keeps former classmates and staff in touch with the school and each other. Old Boys also give back to the school in many ways, including coaching, supporting Brebeuf programmes financially, and through mentoring.

\* **Joseph Boyden ‘86**, Giller Prize winning author, has just published a Canadian history book entitled *Louis Riel and Gabriel Dumont*.

\* **Charles Foran ‘76** has two books in stores: *Mordecai*, a biography of Mordecai Richler, and *Maurice Richard*, about the former captain of Canada’s second best hockey team.

\* Congratulations to **Edward Moroney ‘68**, who was made a Knight of the Holy Sepulchre by His Holiness the Pope.

\* **Jim Barry** (Staff 1963-1996) and **Helen Stynes** (mother of two alumni) are on the fundraising committee for **L'Arche Daybreak's Capital Campaign** to raise 1.5 million dollars. L'Arche Daybreak in Richmond Hill welcomes adults with intellectual disabilities and the assistants who

care for them like family.

If you wish to make a donation to this worthy cause, you can mail a cheque directly to:

Jim Barry,  
384 Tyneview Lane, Richmond Hill, ON L4C 3Z7  
905.884.9431.

Make cheques payable to L'Arche Daybreak 'Signs of Hope' Campaign.

Donations can also be made directly to L'Arche Daybreak online at: [www.larchedaybreak.com](http://www.larchedaybreak.com)

Many thanks for considering this as one of the causes you will support.

## ACADEMICS

### TAKING MATH AND SCIENCE TO A NEW LEVEL

By **Mr. B. Ryan**, Head of Mathematics

Next year, Brebeuf will be introducing Enriched Mathematics and Science in Grade 9 for the first time. These will complement the existing Enriched courses in English, math, and science that commence in Grade 10.

The Enriched stream in Mathematics will continue all the way through to the Grade 12 level with the intent of converting the existing Grade 12 Calculus course into an Advanced Placement Calculus course. Advanced Placement is an internationally recognized programme that has students in high school begin to study university-level material. The courses will contain content offered with enrichment as well as some acceleration in order to be ready for the AP requirements of the grade 12 course. Students who are successful in AP examinations can earn credits or advanced standing at university.

Students who enrol in the Enriched course will be able to drop down at any time to the Academic level and will be advantaged to do so in comparison to the normally streamed students. As well, students will not be encouraged to join the Enriched program late ( ie. in Grade 11 or beyond ) as they will have missed a lot of material.

In Science, the Enriched/Pre-AP stream would continue through Biology and the Grade 12 course will become AP Biology.

We are confident that these new Enriched courses will further enhance Brebeuf's tradition of fostering academic excellence.

## GIFTED UPDATE

Brebeuf welcomed 15 new Grade 9 Gifted students to our growing Gifted and Enrichment programme. We aim to help students to achieve their full potential through our “**L.E.A.D.S.**” philosophy:

**L**eadership in the school and beyond;  
**E**nrichment activities outside of the classroom;  
**A**cademic opportunities with like-minded peers;  
**D**evelopment of talents of the whole person, and;  
**S**ocial justice and service to others.

Students can avail themselves of many enrichment opportunities both at school and in the community. See <http://brebeufgifted.yolasite.com> for more information.

# CLUBS & ACTIVITIES

## RUGBY

The Rugby Bulls have once again shown Brebeuf is a rugby powerhouse to be reckoned with! The Junior and Senior Rugby 7's teams both captured the gold medals at the TDCAA Championships in October. Congratulations to all!

## LAW SOCIETY

This group of future lawyers has made a strong case for one of our newest clubs. It will invite an array of guest speakers from the legal profession to inform and educate them on various legal topics. Students will also participate in a Charter of Rights Challenge sponsored by Osgoode Hall Law School.

## MEDICAL CLUB

Many Brebeufians have gone into the medical field, and a group of students has established a club to investigate the profession and learn more about medical issues.

## DEBATE UPDATE

At the first Pro-Con Debating tournament of the year at Michael Power / St. Joseph's, the Junior Team captured second place out of fifteen schools! The resolutions were: "Be It Resolved that High School Varsity Sports Should Be Banned" and "Smart Phones Would Enhance Classroom Learning". The Juniors consisted of **Keith Rodrigues, Ethan Johnson-Skinner, Darren Pereira, and Robert Rasciauskas.**

The Debating Society meets every Wednesday and new members are always welcome.

## TUTORING

Senior students help their Grade 9 and 10 peers every Tuesday and Thursday during a lunchtime tutoring programme run by **Mr. Schmidt** and **Ms. Walsh** in Room 228. The aim is to help students who might be struggling academically to achieve success and at the same time enhance the older students' leadership skills and confidence. Some of the things the leadership students will be able to assist with are: binder / notebook organization, use of the agenda, homework support, explanation of concepts and general interpersonal relationship skills.

## PREFECTS

Brebeuf has always tried to form Christian gentlemen and leaders. Students who have proven themselves to be trustworthy role models are the Brebeuf Prefects. These thirty Grade 11 and 12 students were nominated by their teachers for excellent behaviour, leadership qualities, manners, and comportsment. They wear a distinctive black tie with red and silver stripes.

Some of their duties this year so far have included mentoring behaviour, providing school tours, ushering, and assisting with the penny drive.

Prefects have also been assigned to Grade 9 students as "upper year buddies" to provide advice and support.

## CANADIAN CLUB LUNCHEON

On October 20, students in Brebeuf's Gifted & Enrichment programme attended a Canadian Club luncheon at the Royal York Hotel. The guest speaker was Gary Doer, Canada's Ambassador to the U.S.A. and former Premier of Manitoba.

## HOUSE SYSTEM REVIVED

Brebeuf has brought back the House System with energy! The programme aims to increase participation in intramural sports and activities in a fun and competitive atmosphere.

All Grade 9 students have been assigned to one of five Houses named for St. Jean de Brebeuf's fellow Jesuit martyrs:

**Noel Chabanel**  
**Charles Garnier**  
**Isaac Jogues**  
**Gabriel Lalement**  
**Antoine Daniel**

Each group is led by senior students who participated in the Camp Muskoka Orientation Camp.

So far this year students have participated in basketball and Reach for the Top (W5H).

## CLUBS FAIR

Joining a club, sport, or activity is a hallmark of a Brebeuf education and is an important way of developing students to their full potential. To assist students in knowing what Brebeuf offers them, especially for the Grade 9's, a Clubs Fair was held in the Atrium during the second week of school.

Student representatives and faculty advisors were on hand to spread the word about their groups and to encourage students to sign up. It was a success and many hundreds of students took advantage of this new opportunity.

Thanks to Mrs. DiPaolo and others for organizing.

## JESUIT CONNEXION

(L-R: Artur Suski S.J., Fr. W. Rye S.J.)

A special welcome to **Artur Suski S.J.**, a Jesuit scholastic who volunteers at Brebeuf every Friday. Artur, who studies philosophy at Regis College, helps keep our connection to the Jesuits. He has been working in religion classes to bring an Ignatian perspective. He was also involved with the most recent Kairos retreat.
