PHILOSOPHY OF BREBEUF COLLEGE SCHOOL

Brebeuf College School is a community of faith integrating Christian principles and Catholic values with all living and learning experiences in an environment recognizing the spiritual dignity of each individual as a child of God.

Brebeuf College School is a family of student - teacher - parent - alumnus working together to encourage excellence, integrity, responsibility, initiative, and respect for the other in the classroom, on the playing field, and in the larger community of parish, municipality, and country.

Brebeuf College School stands for an education that develops soundness in mind, body, and soul. Brebeuf pursues an educational philosophy centred in academic and moral discipline. Brebeuf encourages the spirit to soar and the imagination to inquire. Brebeuf nurtures the sense of wonder in each student's unique development. Brebeuf rewards hard work and eager application. Brebeuf expects all members of its family to realize the fullness of the potential given by God.

Brebeuf College School believes that the way, the truth, and the life, informed by the teachings of Jesus, lead one to success, to happiness, and service to the other. Brebeuf's hallmarks are faith, discipline, and friendship.
