

BREBEUF COLLEGE SCHOOL NEWSLETTER – VOLUME 11, ISSUE 1 – NOVEMBER 7, A.D. 2013

PRINCIPAL'S MESSAGE

Dear Parents and Friends,

It is a pleasure to share a few words with you in this issue of our *Relations* newsletter. So many good things happen at Brebeuf that it would be impossible to capture them all here, and needless to say it is not difficult to be proud of this school. From academics to athletics, from faith formation to extracurricular activities, from leadership development to creating bonds of brotherhood, Brebeuf students and staff demonstrate excellence in all that they do.

I extend a warm welcome to all newcomers to our school: Grade 9s; international students; transfer students; new teachers, administrators, and staff. I hope that you have already experienced Brebeuf as a special place to be and a “home away from home”.

As we continue to celebrate our Fiftieth Anniversary, we are mindful of our roots as a school in the traditions of the Jesuit Fathers and Presentation Brothers. We thank God for all of his blessings in our school's august history. We pray for our school to remain a Catholic institution of excellence where young men are formed into well-rounded citizens who are academically competent, open to growth, loving, religious, and committed to service as “men for others”.

Anthony Azzopardi

(L-R: Daniel Kim (President); Father Eric Rodrigues '95; Anthony Azzopardi (Principal); Brother Henry Spencer FPM; Rob Gregoris)

CARDINAL'S VISIT

His Eminence Thomas Cardinal Collins, Archbishop of Toronto, visited Brebeuf on November 1st to celebrate our school's fiftieth anniversary and the Feast of All Saints. Two Masses were held in the school's atrium. The Cardinal reminded us all that we too can be saints in the same spirit as our mentors, St. Jean de Brebeuf and Blessed Edmund Rice. It was a joyous occasion in the history of our school and we thank His Eminence for taking time from a very busy schedule to be with us.

The Relations is the official newsletter of
Brebeuf College School.

It takes its name from the letters that St. Jean de
Brebeuf S.J. and his Jesuit confreres sent home to
their superiors in 17th century France. It is published
four times per year to inform the Brebeuf
community of the many good things occurring at our
school.

GHANA TRIP

By William Kim

This past March, I was lucky enough to have been part of an extraordinary service trip to Ghana. This trip was beyond all expectations. No amount of words could possibly justify how phenomenal and life-changing this experience was for me. From the people I travelled with to the people I met; the whole journey was surreal and I would give anything to be able to go back in the future.

Prior to the trip, we had a guest speaker (Brother Denis Claviaz) who gave us something to chew on. If we thought that we were going to be helping the Ghanaian people, then we were wrong. It was them who helped us. They changed us for the better and taught us precious lessons that will stick with us for the rest of our lives, and it's these types of lessons that can't be taught in school. I think that if everyone on Earth was to travel to Africa and share our experiences, the world would be a much better place; Africa is in some ways

BROTHER MAHER FUND

therapy. The way the Ghanaian people live their lives is remarkable; their outlook on life is so different than ours. Despite their lack of life necessities, they still manage to keep a positive attitude; they celebrate life and all it gives, while we think of life as a given and an automatic asking ourselves what it can give to us. And it's in these places that we have to re-orient ourselves to follow the footsteps of the Africans and in turn the footsteps of Christ. If I could say anything about the Ghanaian people, it would be that they know how to live, and what better than to learn from the masters themselves.

There really are no words that could come close to my experience in Ghana. Everything from the heat to the children to the Jolof rice and tomato sauce made this trip the unforgettable experience it was. I am forever in debt to the

staff of Brebeuf, the Presentation Brothers, my fellow travellers and all those who made this trip what it was. Although the experience may be over, it is still and will forever be present in our lives.

The Brebeuf community and its friends raised over **\$22,000** in the 2012-2013 year for the Presentation Brothers' schools in Ghana and Nigeria! These funds were collected in a number of ways, including: monthly homeroom collections, a Casino night, a "Christmas catalogue", and general donations.

Because of this generosity, the Brothers can continue a lunchtime feeding programme at two schools in Logre, Ghana and give all students a proper lunch every day for a year! The donations will also help fund school supplies, equipment, scholarships, uniforms, and other necessities.

Thanks to all who have donated and helped Ghanaians to get a proper education.

ORDER OF ST. JEAN DE BREBEUF

The Brebeuf Alumni Association is pleased to announce the 2013 Inductees to the **Order of St. Jean de Brebeuf**. The Order recognizes individuals whose lives and accomplishments exemplify the mission of Brebeuf College.

- * **Father Don Beaudois S.J.** (former staff)
- * **Robert Lato '68** (former staff)
- * **Cathy Pieroni** (current staff)
- * **Greg Rogers '72** (former staff)

The Dinner and Mass to celebrate the Inductees were celebrated on Saturday, April 27th at the school.

ACADEMICS

BREBEUF MATH PROGRAMME

By Darren Pereira

The Brebeuf Mathematics Department offers all students an extensive education in math, as well as extra-curricular opportunities for students of every grade who have a special interest in the subject. Among these opportunities are the annual math contests that are administered by the University of Waterloo. Brebeuf's top scorers for each contest are shown below:

Pascal Contest (Grade 9) (Name, Score) (Out of 150)

1st Place: Calvin Tan (131)

2nd Place: Myungjae Lee (130)

3rd Place: Derek Li & Massimo Russo (128)

Cayley Contest (Grade 10) (Name, Score) (Out of 150)

1st Place: Yong Ho Kim (119)

2nd Place: Brandon Brisbane (106)

3rd Place: Paul Shibata (104)

Fermat Contest (Grade 11) (Name, Score) (Out of 150)

1st Place: Nicholas Purdye (118)

2nd Place: Pierre Leger (116)

3rd Place: Jeremy Wong (113)

Euclid Contest (Name, Score) (Out of 80)

1st Place: Tong Heng (72)

2nd Place: Darren Pereira (70)

3rd Place: Zirui Huang & Peter Park (66)

In addition to Brebeuf's participation in these contests, the Mathematics Department has also adequately prepared senior students for the Advanced Placement exams. Both exams are based on university-level Calculus and are rewarded with a university Calculus credit if one scores high enough. The Calculus AB exam was taken by a large group of 26 Grade 11 students this year, even though it is highly unusual for so many Grade 11s – and Grade 11s in general – to take this exam. The Calculus BC exam, which tests for more content than the Calculus AB exam, was taken by 10 Grade 12 students. Much thanks to Mr. Ryan, the Department Head of Mathematics, and the other staff members of the Mathematics Department, who have shown dedication in providing Brebeuf students with a strong foundation in mathematics and various extra-curricular activities to enjoy.

Humanitarian Aid for the Philippines Archdiocese of Toronto Call for Support of Earthquake Relief Effort

Many of you are likely aware of the earthquake that struck the Philippines on October 15th. Our prayers go out to those who have died, those who have been devastated by the loss of loved ones, and those who have been displaced by this disaster. The Archdiocese of Toronto is asking for our support for fundraising efforts to provide emergency assistance to the affected areas. Schools and individuals wishing to reach out to our brothers and sisters in the Philippines are invited to make a donation through their local parish.

Introducing the Anchor of Hope

TCDSB is pleased to introduce a new project specifically designed to celebrate our Year of Hope, the second year of the Board's Pastoral Plan. Last year we saw the completion of the two-year journey of our Witness to Faith Cross. What an incredible journey it was for all of us—what a beautiful testament to our shared Faith. This year, TCDSB invites all schools to participate in the "Anchor of Hope", a tangible way for us to share ideas about what hope looks like in our local schools and offices.

The physical anchor will be designed and built by students from our Catholic schools, and will be given a place of honour in the atrium at the Catholic Education Centre. The anchor will showcase the many ideas, messages and visual representations of hope throughout our school system. The Board looks forward to seeing the local interpretations of what hope looks like, and how many of these ideas will come to fruition next year as our Year of Hope transitions into our Year of Charity, which will invite us to put our Faith and Hope into action.

Student Video Contest—Faith in our Future

Ontario Catholic School Trustees' Association is hosting "Faith in Our Future" short-video contest for students in grade 5 through to grade 12. Awards will be presented to the top three videos at both the elementary and secondary levels.

This video contest is an opportunity for students (or student media groups) to explain to the world how their experience in Ontario's Catholic schools has made a positive difference in their lives. Full details and production requirements are on the website à

www.faithinourfuture.ca/students.
