# BREBEUF COLLEGE SCHOOL NEWSLETTER - FEBRUARY, 2016

#### PRINCIPAL'S MESSAGE

Dear Brebeuf Friends,

Since I last wrote in The Relations, I have had the chance to meet many people who have told me their stories of their involvement with Brebeuf College. I am very impressed to know and to see the connectivity so many of you have shared with me. Time and time again, I have heard of the positive experiences that staff members from both the past and the present have had on individuals and families. Inevitably, that sense of connectivity continues today. As I reflect, I also wonder about the untold stories of moments of time in this school year from our teams, clubs and in the classrooms. In all cases, our staff are making an extra effort to connect with our young men as they learn and develop and grow in their faith with God. We know that the role of the school is only one part of the support and influence on our students. You as parents and guardians of our students continue to be the adults who continue to have the greatest impact on your sons. As staff at Brebeuf, we are thankful that you have entrusted your sons to us. We remain as partners.

Brebeuf College continues to be a busy place this time of year. The high activity extends not only in the school building itself but also in the community and in the cityat-large. Many students are participating in activities and excursions related to their courses of study during the day off-site as a means to enhance their learning experience, and in the case of their retreats, their faith development. In the school building as well, the activity extends beyond dismissal time. Teams are often practising, music and drama students are rehearsing, and clubs are meeting. We are very fortunate to have staff and other supportive adults who are willing to spend extra time with our students and contribute to the overall culture of the school. It also demonstrates to us the commitment and comfort that our students feel in staying longer at school because they truly feel at home at Brebeuf. It is often these after school experiences that can have an important impact on the lives of our young men.

#### **PRINCIPAL'S MESSAGE (continued)**

Despite the busyness of school life in general, it is important to remind ourselves - individually and as community -- that we do need that guiet time daily to reflect, to breathe, to be at peace, and to have a sense of awareness of ourselves and with one another. This important reminder occurred for me on a couple of occasions over the past while. Earlier in February, during Frist Friday Mass in our chapel (and a reminder - all community members are welcome), I was struck not only by the large number of people who attended, but I was also impressed by the variety of community members and the different roles all of us can play during the Eucharistic celebration and during the exposition of the Blessed Sacrament. I was standing toward the back of the chapel and I could see the scope of the entire community before me: families, teachers, grade 9 students, senior students; people sitting alone and silent in prayer and in groups; singers and nonsingers. All came for respite, for that peace, for the nourishment of "The Bread of Life". The conversation with God continued as adoration of the Blessed Sacrament lasted throughout the day. Individuals and classes visited and had their time of prayer and reflection. We are very fortunate in a Catholic community that we have these times to ground us here at Brebeuf.

In many ways that is what the Season of Lent is all about. We are indeed an Easter People of Hope - but we are also human. We do not do things alone. We can get caught up in the anxieties and the busyness of life. We must take the time, as Father James Martin, S.J. states, to be *kind*. As we remind ourselves to be extra kind to others - especially during Lent - let us also remember to take the time to find times of reflection and prayer and be truly *kind* to ourselves.

God Bless!

John Wujek Principal

# MEN FOR OTHERS

# SOCIAL JUSTICE

Brebeuf hosted its twelfth **Social Justice Symposium** on December 11<sup>th</sup> on the theme of "Awareness of Unfairness: The Oil Sands and Indigenous Canadians". The event, which was organized by Brebeuf's Social Justice Club, took place at the University of St. Michael's College at the University of Toronto. Over 275 students and staff from twenty Catholic high schools attended. The main speaker was Vanessa Gray from Aamjiwnaang (First Nation) and Sarnia Against Pipelines (ASAP). The day also included a Mass at St. Basil's Church and workshops run by various social justice groups.

# **ST. FRANCIS' TABLE**

Each week students and staff visit the St. Francis' Table shelter on Queen Street in Parkdale to help prepare meals for the homeless and poor. This is an excellent way for students to put their faith into action. It also counts towards the community service hours needed for Graduation. Volunteers can sign up with Ms. Noah or Mr. Guy.

#### **CAN-AID**

The annual canned food drive, Can-Aid, was once again a tremendous success. Thousands of cans were collected for the Good Shepherd Refuge on Queen Street.

# **BROTHER MAHER FUND**

Brebeuf continues to be a significant donor to the Presentation Brothers' schools in Ghana and Nigeria. Monies are raised as part of the campaign called the Brother Lawrence Maher Fund for Africa, named for our former Principal. Almost \$15,000 was raised last year through a variety of means last year, including monthly collections from the students and staff; a euchre night; a Christmas gift catalogue; and a generous donation from OECTA.

This year, a new club of students called *Pres*Link is helping in these fundraising endeavours. Meetings are every Thursday after school in the library.

Students from St. Charles Lwanga School in Yendi, Ghana, one of the schools that Brebeuf helps to support.

#### FIRST FRIDAY MASSES

One of Brebeuf's oldest traditions is the First Friday Mass. This takes place on the first Friday of each month in the school Chapel at 8:00 a.m. The practice began in honour of the Sacred Heart of Jesus. All students and staff are welcome to attend. Exposition of the Blessed Sacrament follows all day for those who wish to spend more time with Our Lord.

#### **KARAOKE FOR GHANA!**

The *Pres*Link group is organizing a "Karaoke for Ghana" event on Thursday, February 18<sup>th</sup> from 3:00 p.m. to 6:00 p.m. in the school library. All proceeds will assist the Presentation Brothers' schools in Ghana and Nigeria. The cost is \$10, including pizza and a drink. Tickets will be on sale the week of the event. All are welcome!

#### **CHRISTMAS BASKETS**

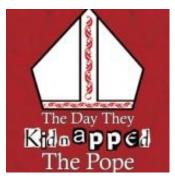

Brebeuf students and staff started a new Christmas tradition this year: "Beuf Baskets". Seventeen families in and out of the Brebeuf community were the recipients of these Christmas baskets, which consisted of presents, clothing, and gift cards.

#### **CLOTHING DRIVE**

**"Operation Off the Hook"** took place from November 6-17. Students and staff brought in gently used clothing to their homeroom classes. The drive also served as a competition between Grade 9 Houses and Grades 10-12 homerooms. Over 3000 articles of clothing were donated to the Society of St. Vincent de Paul.

#### THEATRE BREBEUF

Theatre Brebeuf's spring production is a comedy called **"The Day They Kidnapped the Pope"**. The plot is a bizarre, yet captivating one: a Jewish taxi driver mistakenly kidnaps the Pope, and his ransom is one day of

world peace. The show is double cast, so major roles are being played on different evenings by different students from Brebeuf and SJMP. The production runs: Thursday, April 28<sup>th</sup>; Friday, April 29<sup>th</sup>; and Saturday, April 30<sup>th</sup>. Mr. Cavaiola and Ms. Lo Bianco are codirecting the production this year.

Thirty Brebeuf students participated in the annual Catholic Schools Model United Nations (CSUNA) at the Catholic Education Centre in mid-November. Over 500 students from across the city debated world issues and tried to arrive at solutions to complex global problems. It was an excellent opportunity for learning outside the classroom.

#### **MATH NEWS**
