BREBEUF COLLEGE SCHOOL NEWSLETTER – NOVEMBER 2016

PRINCIPAL'S REFLECTIONS

Mr. Derek Chen

I am very excited and honoured to be the new principal at Brebeuf College School. I have been so blessed and fortunate to have been warmly welcomed into the Brebeuf community by students, staff, and parents. In the short time that I have been here, I have seen the kindness, respect, enthusiasm, and great sense of pride in our students, along with the hard work and dedication of the staff, and the unconditional support of parents. All of this is a testament to the fact that our school is a true community of faith, grounded in gospel values, compassion, and social justice. It is a school where the

motto “Men For Others” is truly engrained in our students.

Over the last two months, our school has been a hive of activity. The school year started with our annual Grade 9 orientation at Camp Muskoka Woods, where the student leaders in Grades 10-12 acted as big brothers to our Grade 9 students as they participated in a number of activities. At the end of September, we also hosted the very first Colour Me Beuf Charity Run, where Grade 9 students were splashed with coloured powder as they jogged around the school.

Throughout the month of October, the month of the Holy Rosary, students from all grades recited the rosary led by their peers from the youth ministry. Other events included Grade 9 Curriculum Night, OSSLT Info Night, the Academic Awards ceremony, Post-Secondary Info Night, Grade 8 Open House, a school visit from staff and students from Colaiste Chriost Ri (a Presentation Brothers’ School in Ireland), the first Student Council Dance “Into the Night” attended by approximately 300 students, and Take Our Kids to Work Day. We also hosted Take Our Kids to Brebeuf Day, where 340 Grade 7 and 8 students from a number of elementary schools visited Brebeuf for the day. Our Religion retreats took place throughout the two months, and allowed students taking religion this semester to reflect and further develop their faith.

Besides Christmas and New Year’s, we look forward to the many events and activities coming up at Brebeuf College. Please watch out for announcements about these events – we hope to see you at many of them!

A special word of thanks to our Catholic School Parent Council (CSPC) that works tirelessly to enhance our school. We truly appreciate their support.

Until the new year, God Bless!

The Relations is the official newsletter of Brebeuf College School. It is named for the letters that St. Jean de Brebeuf and his Jesuit confreres sent home to France in the 17th Century. Its aim is to share much of the good news coming from the school.

MEN FOR OTHERS

OPENING MASS

Father James Zettel, Associate Pastor of Blessed Trinity Church, celebrates the Opening Mass for the 53rd Academic Year.

“COLOUR ME BEUF”

Grade 9 students raised over \$1000 for the Angel Foundation for Learning at the school's first “Colour Me Beuf” run. Students ran around the campus while senior students threw coloured powder on them! The fun atmosphere was enjoyed by all.

BROTHER MAHER FUND

Brebeuf continues to be a significant donor to the Presentation Brothers' schools in Ghana and Nigeria. Monies are raised as part of the campaign called the Brother Lawrence Maher Fund for Africa, named for our former Principal. Almost \$15,000 was raised last year

through a variety of means, including monthly collections from the students and staff; a euchre night; a Christmas gift catalogue; and a generous donation from OECTA.

ST. FRANCIS TABLE

Every week, Brebeuf sends students and staff to St. Francis Table in Parkdale to help cook and serve meals to the less fortunate. This is the "Men for Others" philosophy in action! See Mr. Guy to sign up.

CATHOLIC STUDENT AWARD

Pictured above is 2016 Brebeuf College Catholic Student Award Winner Michael Masci with Mr. De Miglio receiving his award at the Father Fogarty Award Night at the Catholic Education Foundation of Ontario Awards evening on Saturday, October 29, 2016.

ORDER OF BREBEUF

The Order of St. Jean de Brebeuf, named for our patron, is the highest honour that can be bestowed on a member of the Brebeuf community.

Recipients are

inducted in recognition of achievement that exemplifies the values and ideals for which Brebeuf College School stands, namely: faith, discipline, integrity, hard work, humility, excellence, success, pursuit of the greater good, friendship, community, and for always being "Men and Women for Others".

The Order is open to all members of the Brebeuf community, both individuals and groups, past and present, including: Staff, Students, Alumni, Parents, Supporters, Jesuits, Presentation Brothers, and Benefactors. Here are this year's inductees, who were honoured at a Mass and luncheon at the school on October 23.

JOSEPH BOYDEN '85

Joseph is an internationally renowned author, teacher, humanitarian and social activist. A staunch advocate for First Nations people, Joseph is a driving force behind

Camp Onakawana , helping at-risk indigenous and non-indigenous children. He is also a voice for mental health, sharing his own experience with depression in the hope of helping others. Joseph is a Member of the Order of Canada, recipient of the 2008 Giller Prize, CBA Libris Author of the Year, McNally Robinson Aboriginal Book of the Year Award among numerous other accolades. He writes stories with social messages and gives tirelessly to the various communities and peoples with which he is connected. He is a true “Man for Others”.

ROBERT MEAGHER

Robert Meagher was the founder and first principal of Brebeuf College School. It was his vision and tenacity that saw Brebeuf rise from idea to reality. He served as principal from 1963-1972, laying the foundation of a school community dedicated to discipline, effort, academic excellence and Catholic values. Robert Meagher hand-picked the school's original fifteen staff members, designed the school crest and authored the school's motto ("Studio Gradum Faciant"). Most importantly, he personally oversaw the development of many of the Brebeuf traditions which continue to this day. Quite simply, without Bob Meagher, there would not be a Brebeuf College School. After leaving Brebeuf, Bob continued his passion for teaching and for developing young men at St. Andrew's College and continuously encouraged his students to become "Men for Others".

MICHAEL ROGERS '81

An alumnus (class of '81) and a long serving and highly respected member of the Brebeuf staff, Michael has dedicated his career to developing his students and providing strong guidance and leadership to all. As a teacher, coach, and key member of the Guidance Team, Michael has always placed the needs and goals of his students above all else. He is regarded by both students and fellow staff as a first class counsellor who has a special place in his heart for “at-risk” youth, for many of whom he has played a pivotal role in their development and futures. Michael is also a strong supporter of Brebeuf's annual leadership and services trips to developing countries and the annual Can-Aid drive. Michael's kindness, compassion and intelligence exemplify the best of the Brebeuf community. He embodies the true spirit of Brebeuf. He is without doubt “A Man for Others”.

DENNIS TOBIN '79

Dennis is a well-regarded lawyer, a dedicated family man, a strong community leader and to some a 'life saver'. His many contributions to the community include his work in the legal community, the Brebeuf community and his constant support for those in need. He was a founding member of the Brebeuf Alumni Association and remains an active member today as do his two sons, also Brebeuf graduates. Dennis consistently supports the development of young lawyers through a cooperative program he developed. As a coach and a teammate, he is always there to assist. During a fundraising hockey game one of Dennis' teammates collapsed. Dennis fought vigorously to save his teammate until medical staff arrived. Less than one week later, due in large part to Dennis's effort and commitment, his teammate returned home to his wife and family. Dennis would accept no recognition for his life saving efforts, once again demonstrating that he is a "Man for Others".

SOCIAL JUSTICE

Brebeuf will host its thirteenth **Social Justice Symposium** on December 9 on the theme of "Awareness of Unfairness: Human Trafficking". The event, which is organized by Brebeuf's Social Justice Club, will take place at the University of St. Michael's College at the University of Toronto. Over 275 students and staff from twenty Catholic high schools will attend. Registration forms are available from Mr. Da Costa in the library.

From September 21-23, over two hundred Grade 9 boys travelled to Muskoka Woods for an orientation camp. Led by senior students and staff, the purpose of the experience is to immerse the newest Brebeufians into the community, to create bonds of friendship and brotherhood, to develop leaders, and to foster school spirit.

IRISH VISIT

Students, staff, and a Presentation Brother from Colaiste Christ Ri (College of Christ the King) in Cork, Ireland visited Brebeuf College on Friday, October 28. The school, like Brebeuf, is part of the network of schools associated with the Presentation Brothers. Students in Brebeuf's leadership course welcomed the Irish lads and organized a day of activities to create bonds of friendship and to give the Irish students a chance to see what a Canadian school in the Edmund Rice tradition looks like. It was a special time for all involved.

ENRICHED MATHEMATICS

By Mr. Brad Ryan, Head of Mathematics

This year the Enriched Brebeuf Mathematics programme is well on track toward helping over 120 boys excel at high level mathematics.

In Semester 2, there will be one Grade 9 class that is now full and has several boys waiting to get in.

At the Grade 10 level, there are two classes, one in Semester 1 and one in Semester 2, preparing for the all important Grade 11 year.

At the Grade 11 level there is a class of 29 boys, who have just finished the Grade 11 course at the mid-term and are about to start and finish the Grade 12 Advanced Functions course while they are still in the Grade 11 course. It is this class that will stay in mathematics for the whole year in order to prepare for the AP Calculus AB exam in May of 2017. So far they look like a very strong class and I am hoping for stellar results in AP Calculus from these dedicated boys.

At the Grade 12 level, there is one Calculus and Vectors section that has finished all work with vectors, has been reviewing all first year University Calculus, and soon are about to do second year University Calculus. They have the option of writing the AP Calculus BC exam in May, and I would expect that most of them would be able to obtain near perfect on the exam if they choose to do so. I am most proud of all of these students and commend them for their hard work and effort toward achieving excellence in Mathematics.

SCHOOL DANCE

Over three hundred Brebeuf boys and ladies from St. Joseph's Morrow Park and Loretto Abbey packed the school's atrium on October 28th for a dance entitled "In the Night". The event was organized by the school's Student Council and moderators. Brebeuf was also pleased to invite the lads from Colaiste Chriost Ri visiting from Ireland. It was a fun and safe night for all.

OPEN HOUSE 2016

Over 500 prospective students and parents came to Brebeuf on October 27 for the annual Open House. The speakers were the principal, Derek Chen; CSPC Chair, Rosana Del Grosso; Patrick Alido, Student Council President; and James Silva from the AP Math programme. The crowd was also entertained by the Concert Band and the senior Drama students.

Following the plenary session in the gymnasium, our guests had a chance to visit displays from departments, clubs, and teams in the atrium and to walk around the building.

ALUMNI IN THE NEWS

Gregory S. Belton, Class of 1976, was inducted into the Order of Canada by His Excellency the Governor General. This is in recognition for his active support and promotion of youth development programs, particularly through the Duke of

Edinburgh's International Award, and for his philanthropic generosity in the fields of youth services and the arts.

SPORTS

Brebeuf College Athletics

By Brad Chin You '97

Brebeuf Athletics is off to an excellent start to the 2016-17 season. Thanks to all of our dedicated Community and Teacher Coaches for their commitment and leadership with our student-athletes.

Congrats to the **Senior Tennis Doubles** TDCAA Champions - Matthew Brooks and Michael Ross. Coached by Mr Mera, they will be advancing to OFSAA for the second straight year!

Our **Grade 9 Flag Football** team, led by Mr. Found and Mr. Couto finished 2nd in the TDCAA and 4th in the City Finals. Jhalani Stephenson was unstoppable, having an impressive Grade 9 debut.

Brebeuf's **Junior Soccer** team had a great season, finishing undefeated in the regular season with a record of 3-0-1 coached by Mr. Debicki and Mr. Marinic. Unfortunately, the boys suffered a heartbreaking overtime loss in the semi-finals. The future is bright for Brebeuf soccer.

The Brebeuf **Rugby** program is looking to return to form under the guidance of Mr. Wright and one of our newest teachers, Mr. John Engel, who also coaches CIAU Football at Guelph University. With many team members

graduating last year, Brebeuf had very few students with any Rugby experience going into the TDCAA 7s Tournament. Led by captain Alvin Estrella, the team fought hard to a 1-2 record and are preparing for the 15s season. Thank you to former Brebeufian, Simeon Charles, for volunteering his time to help coach!

After winning the **Senior Volleyball 'B'** Division TDCAA championship last season, coaches Ms. Douglas and Ms. Prendi have now moved our Senior Team into the Elite 'A' Division of the TDCAA. After finishing 4th in their division, Brebeuf defeated rival Michael Power 3-0 in the 1st round of the playoffs! Good luck the rest of the way!

Congratulations to Shaian Esnaashari for being our only **Cross Country** runner to qualify for OFSAA. Shaian was involved in an unfortunate collision and sprained his knee. However, in true Brebeufian spirit, Shaian battled through adversity and finished in the top 250 in all of Ontario. Thank you to Shaian and coach Mr. Breglia for representing Brebeuf so well at the OFSAA level!

Looking forward to the beginning of our winter sports season, we have our **Junior and Senior Basketball** teams in action. Community coaches Scott Waithe and Christopher Michaels and staff members Mr Couto, Mr Engles, and Ms Pulla have devoted their mornings and evenings in preparation for their respective seasons. The **Junior Hockey** team, led by Mr. J. MacDonald and Mr. Cook, and the **Varsity Hockey** team, coached by Mr Chin You and Mr D'Addario, will seek to continue the success of Brebeuf's hockey programme. Finally, Ms. Lee and Mr. D'Addario's Varsity Curling team will be defending their TDCAA title.
