BREBEUF COLLEGE SCHOOL NEWSLETTER – NOVEMBER 2017

PRINCIPAL'S REFLECTIONS

Derek Chen

It's been a fantastic first year for me at Brebeuf. I continue to see the kindness, respect, enthusiasm, and great sense of pride in our students, along with the hard work and dedication of the staff, and the unconditional support of parents. As I've said before, this is a testament to the fact that our school is a true community of faith, grounded in gospel values, compassion, and social justice. Our students truly strive to live the motto "Men for Others".

The past two months has been a whirlwind of activity. The year started with the annual Grade 9 orientation at Camp Muskoka Woods, which was a great success. Once again, almost all of our Grade 9s participated, along with student leaders in Grades 10-12. The camaraderie and brotherhood already began to form at the three-day event. Following this, the Student Council organized its second Colour Me Beuf Run, as Grade 9 students were splashed with coloured powder as they jogged around the school. Over \$1200 was raised for the Angel Foundation charity.

In October, homeroom classes across all grades recited the rosary with our chaplains and religion teachers. Other events included Grade 9 Parent Orientation Night (formerly Curriculum Night), the Academic Awards ceremony, and Grade 8 Open House. In the first few days of November, Student Council hosted its first dance "Silence" (a very ironic name for this dance!), which was attended by approximately 250 students. As well, our Grade 9 students participated in Take Our Kids to Work Day, while the school hosted 300 Grade 7 and 8 students from a number of elementary schools for Take Our Kids to Brebeuf Day. Our Religion retreats took place throughout the two months, and provided students with an opportunity to reflect and further develop their faith.

In the coming weeks, we look forward to our annual Used Clothing Drive, a Student Council Semi-Formal (joint with St. Joseph Morrow Park), Can-Aid (including Kiss-a-Fish), the Christmas Arts Fest, and our Advent School Mass.

As always, special thanks to our Catholic School Parent Council (CSPC), who work tirelessly to enhance our school. We truly appreciate their support!

Of course, thank you to Mr. Michael Del Grande, our trustee, for his ongoing support.

All the best during these last few weeks of school before the Christmas holidays! God bless.

COLOUR ME BEUF!

Over \$1000 was raised for the Angel Foundation by the Grade 9 students during the "Colour Me Beuf" run in October. Students ran obstacle courses around the campus, all the while senior students threw paint on them as they went by. It was a fun time for all! Thanks to Student Council and its moderators – Ms. Lo Bianco, Ms. Prendi, and Ms. George – for organizing.

MATHEMATICS UPDATE

By Brad Ryan, Head of Mathematics

Here are some interesting facts about this year's Brebeuf Mathematics programme.

- Semester One has a Grade 10 Enriched Class of 25 students, a Grade 11 Enriched Class of 32 students, and a Grade 12 AP/Enriched Calculus class with 20 students.
- Current class averages for these classes is in the mid-80s.
- The enriched Calculus class has finished all first year University Calculus and is now about to study Second year Calculus, including partial derivatives, double and triple integrals, and Differential Equations.
- In Semester 2 beginning in January, the 11 class continues with Mr. Ryan and takes the 12 Advanced Functions course, which we will have already finished in the Grade 11 class. Thus, we can study AP Calculus and the students can write the AP Calculus exam in early May.
- There will be a Grade 10 Enriched and Grade 9 Enriched Mathematics class in Semester 2 as well.
- Two of this year's Grade 10 enriched Mathematics classes of approximately 50 in total, will be fighting for 32 spots in the grade 11/12 AP Calculus class for the 2018-2019 year.

INDIGENOUS ACKNOWLEDGEMENT

The TCDSB has tried to introduce the spirit of reconciliation with Canada's Indigenous peoples. One way is for each Catholic school, including Brebeuf, to recognize daily that it is situated upon traditional territories. For the Toronto area, these include those of the Wendat (Huron), Anishnabek Nation,

Haudenosuane Confederacy, the Mississaugas of the New Credit Nation, and the Metis Nation. We also acknowledge the enduring presence of Aboriginal peoples on this land. The school is also exploring the possibility of offering a course in Native Studies next year.

OPEN HOUSE

Five hundred Grade 8 students and their parents attended the annual Open House on October 26 to tour the school and discover what Brebeuf College can offer. Over 100 Brebeuf students volunteered to act as ushers and promote Brebeuf's programmes, clubs, arts, and sports. Questions about admissions can be made to any of our Guidance Counsellors.

CLUBS APLENTY

Mr. Wright and students in the school's culinary club show off some of their newly acquired skills

Brebeuf offers a plethora of clubs, activities, and sports for students to join. A Clubs Fair was held in October to showcase some of the many ways in which boys can be active in the school outside of the classrooms. See the last page of The Relations for a list of co-curricular opportunities and their staff moderators.

CO-ED CLASSES

Not since the mid-1980s have gentlemen from Brebeuf College and ladies from St. Joseph's Morrow Park been in the same classes! This year, one co-ed course is being offered at each school: World History at Brebeuf and World Issues at SJMP.

DANCE

Student Council organized its first dance of the year entitled "Silence". Over two hundred Brebeuf boys and students from St. Joseph's Morrow Park and Loretto Abbey attended and enjoyed themselves.

PARENT COUNCIL

Below are excerpts of a speech that Mr. Mario Duran of the CPSC Executive gave at the Open House on why Brebeuf is a good choice for your sons.

Good evening future Brebeuf students, parents, staff, students and guests. My name is Mario Duran, and I am a member of the Brebeuf Catholic School Parent Committee otherwise known as CSPC. I have a son in Grade 9, so we are newbies to Brebeuf. Since we are new to the school, I would like to give you some background insight as to why we chose Brebeuf College.

My wife and I started attending open houses when our son was in Grade 7, as we wanted to fully understand what was being offered in each high school within and out of our area. In the two years that we attended these open houses, there were several high schools that we were okay with and felt somewhat comfortable with sending our son to them, but we were never 100% sold on any one of them. There was always something we found that did not allow us to commit entirely. This ranged from the students, academics, after school programs, to the buildings themselves.

Last year, my wife and I attended the Brebeuf open house on a recommendation from a friend. Even though we lived within the boundaries of the school, we were not familiar with it, as we live closer to other high schools in North York and its surrounding areas. Brebeuf was the last high school we visited last fall, and from the time we entered the school, we were impressed. The politeness, consideration, and enthusiasm of the boys at Brebeuf was something we had not experienced in any other high school. They made us feel welcomed, even though we were complete strangers to them. On top of that, the presentation and the information made available to us the night of the open house, was by far the best we had experienced. Compared to the other high schools we had visited, Brebeuf offered our son the best opportunity for success. When we left that evening, my wife asked me how I felt about the school. All I could say was, "They had me at hello."

To date, our son's experience at Brebeuf has far exceeded our expectations.

He attended the summer school programme, which made the transition from Grade 8 to Grade 9 much easier. He also participated in the Muskoka Woods Grade 9 retreat, where the brotherhood of the students at Brebeuf was very evident. It was a great experience.

Hopefully, tonight you will find, that Brebeuf can not only meet your child's academic and athletic needs, but also offers a variety co-curricular activities [see list on last page of this issue of *The Relations*].

Why did I join the CSPC? The CSPC is a forum through which parents and community can have a voice in the education of our children. It also brings appropriate community resources into the school and recognizes the right of parents to participate in the Catholic education of our children. The committee also functions in an advisory role to the school principal.

I am very honoured to have had the opportunity to address the assembly. I wish you all the best in your last year in elementary school, and I hope to see you all next year.

Thank you.

SPORTS

BREBEUF COLLEGE ATHLETICS

By Brad Chin You, Athletic Director

Brebeuf Athletics is off to an excellent start to the 2017-18 season. Thanks to all of our dedicated Community and Teacher Coaches for their commitment and leadership with our student-athletes.

Our Grade 9 Flag Football team, led by Mr. Found, won the bronze medal game against Lieberman in the city championship. The boys qualified for the final round by finishing second overall in the West Division.

Brebeuf's Junior Soccer team, coached by Mr. Debicki, Mr. Marinic, and Mr. Latino, had a great season, finishing the regular season with a record of 2-1-1, one point out of first place. Unfortunately, the boys suffered a heartbreaking overtime loss in the quarter-finals. The future is bright for Brebeuf soccer.

Congratulations to Mr Breglia and the cross-country team for representing Brebeuf at several events. It was a small team but displayed big heart and surpassed expectations. Marco Stipo finished one placed short of an OFSAA spot 11th in TDCAA .

Looking forward to our winter sports season, we have Junior and Senior Hockey, Junior and Senior Basketball, Varsity Swimming, Badminton, Table Tennis and much more!

Go Bulls!
